Dear Commissioner Moore:

This is in reference to Deputy Chief of Police, Clovis Watson. He works for the Alachua Police Department. Please note attached letter to Chief Jernigan.

I feel this matter is extremely important. Deputy Watson is an official of the law and the activity he is engaging in may cause someone to break the law. Someone needs to point out to him how his action may take place on his private time, but how these matters effect the lives of others.

I have also forwarded this letter to the Mayors Office of both Gainesville and Alachua, the States Attorneys' Office, the commissioners of each city, and various people within the community.

I realize unless I make myself known, charges cannot be brought against Mr. Watson. However, I feel and hope these actions will force him to seek professional help for his problems. He is abusive both mentally and physically and is extremely immature. His actions has harmed many people. He does not seem to care how his actions and treatment of others effects them. I want to make the community aware of the type of person "in charge of the law".

Please take whatever actions necessary to protect my rights and the rights of other young women involved.

It has been brought to my attention that Mr. Watson has taken nude pictures of various ladies and uses this as means of control with threats to expose the photos.

Dear Chief Jernigan:

I would like to place an anonymous complaint against Deputy Chief of Police, Clovis Watson. The complaint is based on the personal misconduct and abuses I have suffered due to actions taken by Clovis Watson. I would like to remain anonymous as I fear physical retaliation from Mr. Watson.

Mr. Watson has abused me both mentally and physically, as well as other women in his past and woman that he is now associated with. Clovis Watson and I have had a consensual sexual relationship for many years. However, on the last few occasions he has forced me to have anal sex with him and he has repeatedly forced his penis into my mouth almost choking me without my consent. These actions have resulted in repeat doctors visits for anal bleeding, missed days at work (as work as I was unable to sit), and mental distress. I let Mr. Watson know this was unacceptable. He warned if I reported this no one would believe me because I had consensual sex with him. He also stated that he was the police, so who would I report it too. I feel I have no where to turn except to these action I am about to take.

Mr. Watson has also inflicted mental abuse on me and others. He feels there will be no punishment for these actions. He has made a marriage proposal to Carla Banks of WCJB TV20. (He convinced her to take a cut in pay and relocate to Gainesville, with a promise of marriage which has not taken place). One month prior to this he proposed marriage to me too. I recently founded out days after his marriage proposal to Ms. Banks he also proposed a one on one relationship to another young woman under the pretense that he was unattached. There are rumors that another woman is currently pregnant from him and his reaction is to ignore and reject her. Facts say that Mr. Watson currently has 5 illegitimate children and rumor says more. Mr. Watson needs professional help. Clovis Watson is a public official and needs to be held accountable for his actions. This actions have been CRUEL and immature. He is ruining the lives of innocent people. He seems to suffer from a condition know has Narcissism.

To be certain this is not swept under the "rug" as Mr. Watson suggest it would be, I am forwarding this information to the various media and newspapers within the community. I am sorry to take this route, however, I see no other way to protect myself and others from Mr. Watson's cruel and insensitive actions.
