1 P R O C E E D I N G S

2 MS. COCHEU: This is a hearing in the case of

3 Clovis Watson, Jr. against the Division of

4 Retirement.

5 This hearing is being held before the State

6 Retirement Commission at the Department of

7 Management Services' offices, 4050 Esplanade Way,

8 Tallahassee, Florida, on May 19, 2009. The court

9 reporter is taking a record of this hearing.

10 My name is Anne Cocheu, and I am the legal

11 adviser to the Commission. To my immediate left is

12 Alice Myers, the chair; and to her left is

13 Commissioner Millie Seay; and on the end is

14 Commissioner Ernest S. Doster.

15 The Petitioner Clovis Watson, Jr. is being

16 represented by Rod Smith, and the Division of

17 Retirement is being represented by Ms. Stevens.

18 This hearing will be conducted as informally

19 as is compatible with justice.

20 Hearsay evidence may be considered, but this

21 Commission may not base a decision entirely on such

22 evidence.

23 Now, we do have a joint response to the

24 prehearing order, and I wondered if either of you

25 have any additional stipulations to bring forward?

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 It's pretty straightforward: Is he or isn't

2 he eligible?

3 MR. SMITH: Well, actually, if I may, Madame

4 Chair, first as a matter of business, the City of

5 Alachua was on for DOAH hearing, the original

6 petition filed in this case, because this is a

7 removal of someone who was in the system.

8 Because it is a removal case, it was

9 originally filed as a DOAH petition. At that time

10 I represented the City of Alachua and Mr. Watson in

11 a number of affairs filed on behalf of the City and

12 Mr. Watson.

13 But for reasons which will become abundantly

14 clear during the course of this proceeding, it

15 became important that the City had their own

16 attorney participate as to their -- they have an

17 actual separate interest in the outcome of this,

18 and so I would first ask that the City of Alachua,

19 as an interested party, be granted status in this

20 case as they were the Petitioner in the original

21 DOAH case with Clovis Watson, Jr. as to the

22 removal.

23 MS. COCHEU: Yes. That was going to be a

24 question I was going to get to because obviously we

25 know that the City has an interest in it, and there

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 was not a request to intervene, but now I

2 understand why there wasn't.

3 Madame chair, I see no reason --

4 CHAIRPERSON MYERS: Why we can't.

5 MS. COCHEU: They got a dog in this race.

6 CHAIRPERSON MYERS: I'm beginning to think the

7 more the merrier.

8 MR. SMITH: Madame Chair, as a second matter

9 of business, although this is not my first rodeo,

10 it is my first rodeo in front of this Commission,

11 and I want to make sure I understand the record the

12 Commission has in front of it so far.

13 MS. COCHEU: I'm about ready to read through

14 it.

15 MR. SMITH: I know there's a lot of documents

16 that have been filed, there's going to be a bunch

17 more documents filed, but I just want to make sure

18 because I think -- I don't want to speak for

19 Ms. Stevens, but I think we're both in agreement

20 this might get reviewed somewhere else at some

21 point in time, and I want to make sure we have the

22 record in front of this Commission, and ultimately

23 for any court on review.

24 MS. COCHEU: My next line was going to be all

25 Commission members present have been furnished

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 copies of the documents that have been submitted to  
2 the Commission which may be relevant to this  
3 hearing.

4 These documents constitute the Commission's  
5 file to date, and we will review them now: I  
6 understand for the Petitioner's Number 1 is the FRS  
7 Retirement Guide for Senior Management Service  
8 Class and Special Risk Class, the 2006 edition.

9 Number 2 is --

10 MR. SMITH: Excuse me, if I could, I just want  
11 to clarify, we are in agreement that the 2006  
12 edition was the last published edition that the  
13 City had?

14 MS. STEVENS: That is correct.

15 MR. SMITH: I just want to make sure. We're  
16 agreeing that the 2006 language is the language  
17 that was controlling at the time of the decision?

18 MS. STEVENS: We agree that the 2006 language  
19 is the language that's in effect now. We do not  
20 stipulate as to whether that was the same language  
21 that was available to the Petitioner any time prior  
22 to 2006.

23 MR. SMITH: That's not my --

24 MS. COCHEU: Folks, all I'm doing right now is  
25 reviewing what the documents are, and then I will

1 ask you if you have any objections or any comments  
2 on them because that way -- we need to know what's  
3 in the record first, and then figure out what the  
4 significance is.

5 Okay. We have as Number 2 is Chapter 1 of the  
6 FRS Employer Handbook.

7 Number 3 is a composite of the Petitioner's  
8 personnel file.

9 Number 4 is all employment contracts between  
10 the Petitioner and the City of Alachua from June  
11 2002 up to including April 2009.

12 Number 5 is another composite. It's a Summary  
13 Final Judgment for Defendants entered in Alachua  
14 County Circuit Court with a decision from the  
15 Appellate Court on the appeal of said summary final  
16 judgment.

17 Number 6, Petitioner's Request to Produce to  
18 Respondent and all responses thereto.

19 Number 7 is Petitioner's Complaint filed in  
20 Leon County Circuit Court with all attachments. We  
21 received -- I'm not sure -- a video of Petitioner's  
22 appointment to the City Manager position.

23 Was that the disk?

24 CHAIRPERSON MYERS: That was given to us this  
25 morning.

1 MS. COCHEU: We received a disk on that.

2 CHAIRPERSON MYERS: Our clerk said she tried  
3 to view it and couldn't.

4 MR. SMITH: I had advised counsel that I did  
5 not anticipate we would use it. I sent it as a  
6 back-up position. I've got all the principals  
7 here, so I'm not going to play that; so I'll  
8 withdraw that as an exhibit.

9 MS. COCHEU: Okay. We have for Petitioner --  
10 Respondent's Number 1 is Petitioner's Answers to  
11 Interrogatories, dated December of 2008.

12 Number 2 is a certified copy of the final --  
13 of the summary final judgment for defendants in the  
14 circuit court case.

15 Number 4 is the response -- Petitioner's  
16 Response to Respondent's First Request for  
17 Admissions.

18 MS. STEVENS: I think you skipped Number 3  
19 and Number 4.

20 MS. COCHEU: I'm taking it from two different  
21 places because it's rather confusing because the  
22 cover sheet is not exactly identical to what's in  
23 here; so I wanted to get this stuff first.

24 Then we have from the joint response --

25 We have Respondent's -- I guess that would be

1 4.

2 -- is an excerpt from the FRS Employee  
3 Handbook, Pages 1 through 21 [sic] dated April  
4 2009.

5 Number 2 is an excerpt from the FRS Employer  
6 Handbook, Pages 16 and 17, dated February 2009.

7 Number 3 is a letter from Gib -- I'm going to  
8 mispronounce his name, but I'll spell it --  
9 C-O-E-R-P-E-R to Joyce Morgan, dated November 13,  
10 2007.

11 Respondent's First Request for Admissions,  
12 dated March 9, 2009. Already done the  
13 interrogatories.

14 The next one is the City of Alachua  
15 organizational chart.

16 The next one is the City of Alachua City  
17 Manager Position Description.

18 Next is Petitioner's City of Alachua  
19 Performance Evaluations completed while Petitioner  
20 was City Manager.

21 Next one is the current FDLE Global Profile  
22 Sheet for Petitioner.

23 Next one is the Affidavit of Separation filed  
24 with FDLE for the City of Alachua for Petitioner  
25 with a cover letter, dated September 7, 2007.

1 Next is a letter from Michael Crews to Clovis  
 2 Watson, Jr., dated July 18, 2007.  
 3 Next is a letter from Rod Smith to Michael  
 4 Crews, dated August 1, 2007.  
 5 The next one is an undated letter from Grace  
 6 Jaye. That's J-a-y-e to Rod Smith.  
 7 The next one is a letter from Mr. Smith to  
 8 Ms. Jaye, dated September 7, 2007.  
 9 The next one is a letter from Ms. Jaye to  
 10 Mr. Smith, dated September 12, 2007.  
 11 We have joint exhibits of Summary Final  
 12 Judgment for Defendants in Case 01-07-CA-824.  
 13 The next one is a letter from Mr. Smith to  
 14 Joyce Morgan, dated July 17, 2007.  
 15 And the last one is a letter from Gib Coerper  
 16 to Joyce Morgan, dated August 9, 2007.  
 17 Now, I'm sure there are other things. I'll go  
 18 with you first, Mr. Smith. Were there other  
 19 exhibits?  
 20 MR. SMITH: Actually there are other  
 21 documents, and I want to find out the status on  
 22 those, and then maybe I'll know how to do this.  
 23 There has been -- there was a motion for  
 24 summary final order. There was a response to the  
 25 motion for --

1 MS. COCHEU: We're not there yet.  
 2 MR. SMITH: If I may, there were attachments  
 3 to those documents, which if those are not in the  
 4 record, then at the appropriate time I want to move  
 5 those into the record.  
 6 MS. STEVENS: Madame Chair, I would object to  
 7 any of those documents being admitted in evidence.  
 8 We didn't -- if there are any documents that we did  
 9 not receive prior to -- 15 days prior to the  
 10 hearing, you haven't had those documents before  
 11 you, you just got them, I believe this morning, and  
 12 a response to my response to his response to my  
 13 motion filed less than 24 hours prior to the  
 14 hearing, they should not be admitted.  
 15 MR. SMITH: Madame Chair, if I may respond to  
 16 that. Actually the rules we were given is you  
 17 weren't supposed to file anything within 11 days of  
 18 the hearing. They chose to file a motion in which  
 19 they, for the first time, took the position that  
 20 they didn't know that he was the City Manager, and  
 21 therefore, I couldn't raise an estoppel argument.  
 22 Based on that, I've attached documents showing  
 23 that of course they knew he was the City Manager.  
 24 They certainly knew it as early as 2004. Those  
 25 documents are germane to this hearing. I have

1 raised estoppel from the original petition on, and  
 2 the first time was in a late-filed response from  
 3 Ms. Stevens in which she said, Our answer is you  
 4 can't use estoppel because we didn't know.  
 5 Well, we have documents that will prove -- and  
 6 do prove -- that of course they knew or certainly  
 7 should have known since he was submitting documents  
 8 on behalf of the City bringing employees back into  
 9 FRS under the title "City Manager."  
 10 MS. STEVENS: Just so I may clarify, my  
 11 response was not that they cannot claim estoppel  
 12 because we didn't know. My response is they cannot  
 13 claim estoppel because they don't meet any of the  
 14 elements. There was no representation by the  
 15 Division that they relied on to their detriment.  
 16 Nothing. No representation by the Division. They  
 17 did not rely on anything that we said to their  
 18 detriment because we didn't even know about it for  
 19 years after he became the City Manager. He became  
 20 the City Manager in 2002.  
 21 The letter that they sent to us is an  
 22 ordinance where all he did was sign his name over  
 23 City Manager, and that's supposed to notify us that  
 24 he's in Special Risk and a City Manager at the same  
 25 time.

1 It absolutely does not do that. It was not  
 2 sent to enrollment. It was not sent to individuals  
 3 who would determine whether a Special Risk member  
 4 is eligible for the Senior Management Service Class  
 5 membership or vice versa.  
 6 MS. COCHEU: Let me go back to my original  
 7 question: Of the documents that I read out, are  
 8 there any objections to their admission? Not the  
 9 stuff you guys just brought up.  
 10 MR. SMITH: No.  
 11 MS. COCHEU: Okay. Let's get through step  
 12 one.  
 13 MS. STEVENS: Yes, ma'am.  
 14 MS. COCHEU: The next one is --  
 15 MS. STEVENS: Yes, ma'am, there are some  
 16 objections.  
 17 MS. COCHEU: Let's identify.  
 18 MS. STEVENS: Sure. In Composite Exhibit 3,  
 19 he filed the entire employment file. There are  
 20 specific documents in there that we believe should  
 21 be excluded from evidence.  
 22 The issue here today is whether the Petitioner  
 23 is eligible for Special Risk while a city manager.  
 24 His employment records predating his time as a city  
 25 manager don't matter. What he did before he was a

1 city manager doesn't matter. It doesn't matter  
2 that he received a recognition letter from the  
3 senior cha-chas. It doesn't matter. Anything  
4 predating June or August of 2002 is completely  
5 irrelevant to this case.

6 There are also a number of certificates  
7 predating his employment as City Manager. Those  
8 also have no relevance on whether as a matter of  
9 law he's eligible for Special Risk benefits while  
10 employed as a city manager.

11 There are also -- I'm sorry. This is still  
12 Composite 3. That's why I'm still talking about  
13 it. There is also an FDLE Officer Profile Sheet,  
14 dated August 16, 2004 and March 3, 2005. These  
15 Officer Profile Sheets are irrelevant.

16 We have filed the current officer profile  
17 sheet; however, after March 3, 2005, the last FDLE  
18 Officer Profile Sheet, there was a substantial  
19 change because up to that point he had been  
20 reported as a law enforcement officer to FDLE, so  
21 of course it shows him as active law enforcement  
22 with active certification.

23 Well, after that date, Alachua Police  
24 Department filed an Affidavit of Separation with  
25 FDLE separating him from his employment as a law

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 enforcement officer. Those officer reports are  
2 outdated. They have nothing to do with this case.

3 Those are my objections to Composite 3, if  
4 you'd like to me to proceed?

5 MR. SMITH: First of all, almost every one of  
6 those arguments goes to weight not relevance.

7 Second of all, anything he did after 1983 is  
8 germane because this case is about who knew what  
9 and why decisions were made at the time they were  
10 made; so the fact that subsequent decisions were  
11 made that may very well have given us information  
12 that weren't -- that didn't previously exist and  
13 wasn't being acted on by the City or the  
14 Petitioner, at the time that those decisions were  
15 being made, that's relevant for this Commission.

16 And we're going to have lots of testimony in  
17 here why he became the City Manager, the  
18 circumstances, the reason those contracts were  
19 entered, the beliefs that everybody held at the  
20 time based on records that existed at that time.  
21 She can argue relevance. They're plainly relevant.  
22 Whether or not what weight you give them, that will  
23 be for the Commissioners to make their decision  
24 regarding, but I don't think there's any argument  
25 that the relevance of his -- that there is not

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 relevance of all the documents in his career. Some  
2 of which, admittedly what I didn't want to do is go  
3 through and start redacting anything out of there,  
4 and then be facing an argument; so I didn't even  
5 redact numbers I normally redact because I  
6 submitted the entire the personnel file.

7 Her argument goes to weight, not relevance.  
8 It should be admitted for whatever weight this  
9 Commission decides to give it.

10 To the degree it's hearsay, this Commission  
11 can make decisions based on hearsay, they just  
12 can't be the exclusive basis for the finding of  
13 fact -- the records in front of you -- and it  
14 should be something we consider, particularly when  
15 the final argument we're going to raise and the  
16 most compelling argument is about the equities of  
17 what -- the fairness of what's happened here,  
18 something this court -- this Commission has  
19 specifically allowed in the past and addressed in  
20 the past, and you need the entire picture to  
21 understand what people believe and why they believe  
22 it at the time.

23 MS. COCHEU: Madame Chair, I know from this  
24 morning's concern that you had a cherry picking of  
25 pieces and parts, I know that none of the

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 Commissioners particularly liked seeing a file like  
2 this, but apparently Mr. Smith is making the  
3 representation that it's the complete file.

4 And, yeah, there's probably some "I'm a great  
5 guy" stuff in there, but I know you-all can pick  
6 through that.

7 CHAIRPERSON MYERS: I think it was all filed,  
8 so we've all had the file for a short time, and I  
9 went through and picked out what I thought was  
10 relevant, and I just glanced through the rest of it  
11 to see -- to make sure I picked out what I felt was  
12 going to help me make my decision on this, and I'm  
13 sure that the other Commissioners have done the  
14 same thing.

15 MS. COCHEU: Unfortunately, you know, these  
16 were not paginated. It would have been a whole lot  
17 easier to say, Pages "ta-da" are not relevant.

18 But having said that, do you have any remarks  
19 now, Ms. Stevens?

20 MS. STEVENS: As I said, as you're going  
21 through your file, I know that he's submitted the  
22 entire employment file. But as you're going  
23 through the file, keep in mind that we're here to  
24 decide whether he, as a city manager under the  
25 Senior Management Service Class statute and Special

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 Risk statute, is eligible for Special Risk Class  
2 membership; so --  
3 CHAIRPERSON MYERS: We understand that.  
4 MR. SMITH: I want to respond to that because  
5 I want you to go back and find the original  
6 petition which is filed, the subsequent petition  
7 which we filed after they finally -- after several  
8 letters -- gave me what they call "final agency  
9 action."  
10 Our position has been from the outset that the  
11 question here is whether or not he was properly  
12 removed from this class of Special Risk which is  
13 what we're really here about; the removal, whether  
14 or not that can be sustained; and the burden is on  
15 them to sustain it; and if it is otherwise  
16 sustainable, whether or not there are equities that  
17 ought to come into play in this particular case.  
18 That's the issue in front of this Commission.  
19 This Commission understands -- you do this all  
20 the time -- you understand what we're doing. If I  
21 had gone through and taken this -- and redacted  
22 anything, somebody would say, "It was not a  
23 complete record."  
24 So I said, "Don't even redact the Social  
25 Security number. Give me the file just as you have

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 it." I have the clerk here if we needed to certify  
2 it.  
3 MS. STEVENS: Before we proceed, I do have  
4 other objections, but they're based on an issue  
5 that's still pending: Whether the plan code  
6 correction is actually an issue before this  
7 Commission; so I don't know if we need to take it  
8 up at this time, otherwise my next objections will  
9 depend on your decision on that matter.  
10 MS. COCHEU: All right. In response to  
11 Mr. Smith's -- one of his remarks, I think you-all  
12 know that the petition that is in this file that  
13 triggered this file opening up was "I was  
14 wrongfully removed from Special Risk Class by the  
15 Division of Retirement from September 2002  
16 forward."  
17 The petition was received in the clerk's  
18 office on December 4, 2007. Everybody here  
19 understands that's what triggered this; so we're  
20 all clear on that.  
21 Now, the next issues that you have with some  
22 of the exhibits, Ms. Stevens.  
23 MS. STEVENS: Ma'am, as I just stated, I would  
24 like to clarify the issue of whether the changing  
25 of the plan code is the issue because the rest of

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 my objections to his exhibits depend on whether  
2 that's going to be an issue that you actually hear,  
3 and I would like to present our interpretation of  
4 the statutes regarding the plan code correction.  
5 MS. COCHEU: All right.  
6 MR. SMITH: I thought right now we're going  
7 through trying to get the exhibits in order.  
8 MS. COCHEU: Yeah.  
9 MR. SMITH: I don't understand how we're  
10 having argument --  
11 MS. STEVENS: And, sir, that's what we're  
12 trying to do, but I cannot --  
13 MR. SMITH: Madame Chair, normally, when I  
14 have the floor --  
15 MS. STEVENS: Excuse me.  
16 MR. SMITH: -- I finish the floor, and then  
17 the other side gets it. Now, I'm not going to  
18 stand here and be interrupted.  
19 MS. STEVENS: I'm sorry. I was speaking to  
20 you and you interrupted me.  
21 CHAIRPERSON MYERS: Well, I think you  
22 interrupted her.  
23 MR. SMITH: I thought she had stopped. I  
24 apologize for that.  
25 MS. GUSTAFSON: Perhaps we should go ahead and

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 remember that this is a quasi-judicial body, and  
2 you should probably let the chair run the meeting  
3 instead of you.  
4 MS. COCHEU: All right. Now, I understand  
5 your concern is -- depending on how the Commission  
6 rules -- you may have some objections to other  
7 documents, and that's what we were on.  
8 MS. STEVENS: Yes, ma'am.  
9 MS. COCHEU: Okay. What would your objections  
10 be?  
11 MS. STEVENS: What would they be depends on  
12 how the Commission --  
13 MS. COCHEU: Yes. Yes. Let's try that tact.  
14 MS. STEVENS: Composite 6. We would object to  
15 the 3/31/2008 letter from Mr. Smith to Matt Minnow.  
16 It involves the circuit court complaint which has  
17 nothing to do with the merits of this case.  
18 MS. COCHEU: What else?  
19 MS. STEVENS: The October 16, 2002 letter from  
20 Mr. Smith to Joyce Morgan at the Division. Again  
21 it's regarding the actual removal process, not  
22 whether he's entitled to Special Risk, but the  
23 process and him not immediately receiving a final  
24 agency action letter, and it has nothing to do with  
25 the merits of whether he's entitled to Special Risk

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 membership.  
 2 MS. COCHEU: I thought it might. I think it  
 3 might.  
 4 COMMISSIONER SEAY: That was wrongfully  
 5 issued.  
 6 MS. STEVENS: The issue before this Commission  
 7 -- the issue depends on the letter that was written  
 8 by the administrator. Sarahbeth Snuggs, the  
 9 Director of the Division, wrote a letter to  
 10 Mr. Watson that he was not entitled to inclusion in  
 11 the Special Risk Class membership. We are not  
 12 talking about the process in which he was removed.  
 13 It was -- I guess you could term it as "a  
 14 removal," but it's not -- it's not the actual steps  
 15 that the Division took. It's his entitlement to  
 16 the senior -- or to the Special Risk Class.  
 17 The Special Risk statute says that if the  
 18 Division does not designate a member as Special  
 19 Risk, which is what happened in this class, I'm  
 20 sorry, in this case -- the member may appeal to the  
 21 Commission for designation as a Special Risk  
 22 member. We are here to determine whether he is  
 23 eligible for Special Risk while employed as a city  
 24 manager.  
 25 In 121.23, which details the jurisdiction of

1 on going, because we're never going to get to the  
 2 hearing because you guys will argue for the next  
 3 three hours. Maybe that's what we got to do.  
 4 MS. STEVENS: I'm sorry. What was the last  
 5 objection that I had made to --  
 6 Madame Court Reporter?  
 7 COMMISSIONER SEAY: The removal process.  
 8 MS. STEVENS: Also, the October 26, 2007  
 9 letter from Rod Smith to Larry Scott. It's again  
 10 remarking only the process, not whether he's  
 11 entitled to the class or not, but only the process.  
 12 The November 7, 2007 letter from Rod Smith to  
 13 Joyce Morgan at the Division. There are actually  
 14 two of these, and it's regarding, like I said, only  
 15 the process, not his entitlement.  
 16 The November 16, 2007 letter from Gib Coerper  
 17 to Governor Crist. We said that it's irrelevant,  
 18 he's listed as a witness, and he can testify to  
 19 anything he wants to testify to if he wants to.  
 20 CHAIRPERSON MYERS: Mr. Smith, let's hear what  
 21 you have to say.  
 22 MR. SMITH: Fortunately much of this record is  
 23 already in front of you in the circuit court case.  
 24 What occurred was he was notified -- the City was  
 25 notified that he had been removed from Special

1 the Commission, it says, "It is limited to the  
 2 final decision of the administrator on the merits."  
 3 Excuse me. The merits of this case are whether  
 4 he's entitled to Special Risk Class membership  
 5 while employed as City Manager. That is why there  
 6 was a plan code correction and he was effectively  
 7 placed in the Senior Management Service Class.  
 8 Now, subject matter jurisdiction arises only  
 9 by virtue of law. It can't be agreed on between  
 10 the parties, "Oh, well, you promised this could  
 11 happen or this happened." That doesn't matter.  
 12 Your jurisdiction is based only on what it says in  
 13 the statutes and what it says in the Constitution.  
 14 As it pertains to Special Risk, you can decide  
 15 whether someone should be designated as a Special  
 16 Risk member. That's it. But let's talk for a  
 17 second maybe --  
 18 MS. COCHEU: No, hold on. We're not getting  
 19 into a little argument here. You recognize -- we  
 20 recognize up here that this is a determination on  
 21 the Special Risk, and it may well be that there are  
 22 factors surrounding this whole issue that may or  
 23 may not be of concern to the Commissioners when  
 24 they're deliberating; so without going into a  
 25 complete argument, just make your record and keep

1 Risk.  
 2 We filed a timely DOAH request that he be  
 3 given a hearing on his removal. They responded --  
 4 and you have it in front of you -- saying that the  
 5 request is premature. We haven't made a final  
 6 action.  
 7 Now, he was removed retroactive to 2002  
 8 effective June of -- at that time effective  
 9 September of 2007.  
 10 When a month passed and we hadn't heard a  
 11 response, you bet I followed up with a letter  
 12 saying, "I haven't gotten a final agency action,  
 13 but I want to reiterate I want this transferred  
 14 over to DOAH for my hearing on his removal."  
 15 I did another letter approximately 10 days  
 16 later, at which time I then received -- and you  
 17 have it in front of you, and this is why you need  
 18 this entire record and so does the Court on appeal.  
 19 Then we get an answer saying we have a final  
 20 agency action, and the final agency action is to  
 21 disallow his -- to declare that position not to be  
 22 eligible, which I had sent a letter -- and the  
 23 letter to Joyce Morgan makes it very clear -- we're  
 24 delaying having an application on this issue until  
 25 we understand whether he was correctly removed

1 under the circumstances of this case, and I filed  
 2 an amended petition for a DOAH hearing, and then I  
 3 filed a request for a hearing in front of this  
 4 organization -- this Commission -- and in that I  
 5 said the issue was I was, quote, wrongfully  
 6 terminated from my -- removed, excuse me, from my  
 7 position.

8 This record is clear that what we're here  
 9 about is -- it's inextricably intertwined. But the  
 10 real question that got us here is whether or not he  
 11 was correctly removed, whether he was properly  
 12 removed, the process of removal -- I don't know  
 13 what the process of removal is. It's you're either  
 14 removed or you're still in.

15 He was removed because the money was sent  
 16 back, and we didn't accept it. All that's going to  
 17 come in front of you -- and this record is plainly  
 18 a record that the Court of Appeals needs to  
 19 understand the complexity of -- and I would like to  
 20 add that in my motion that I filed -- my response  
 21 that I filed with you yesterday, I included  
 22 Mr. Scott's and Mr. Button's response to the  
 23 circuit court case in which they said, "You don't  
 24 need to do this. We're going to give you a full  
 25 hearing on these issues in front of the State

1 Retirement Commission, and therefore the State  
 2 Retirement Commission is where you need to be."

3 Now, that's in their response by their motion  
 4 to dismiss my action for declaratory. They also  
 5 filed a motion with DOAH -- Mr. Button on behalf of  
 6 the Division -- in which Mr. Button said to DOAH  
 7 that essentially you don't need to have a hearing  
 8 because now the issue's going to be in front of the  
 9 State.

10 Now, if she's right and we're not hear about  
 11 removal, then I should be in front of a DOAH  
 12 hearing officer, and that should have happened two  
 13 years ago.

14 If they're right, the Department's previous  
 15 position which is that I should be here, I'm here,  
 16 I have my witnesses, but I want a full record of  
 17 how we got here, why this has taken two years to  
 18 get here, and it is clearly appropriate that I got  
 19 an answer in which their response to my question of  
 20 "What about his removal" is we've declared that  
 21 position not to be eligible.

22 That doesn't even respond, I submit to you, to  
 23 the original question, but assuming that they're  
 24 inextricably intertwined, it all should be in front  
 25 of you for a complete record for the decision we're

1 going to ask for you to make today.

2 MS. COCHEU: Madame Chair, you make the big  
 3 bucks.

4 CHAIRPERSON MYERS: I should live so long.  
 5 I really, truly think -- and I think Elizabeth  
 6 knows well enough -- that we are going to pick out  
 7 what's relevant and what isn't relevant when we go  
 8 through these when we read these.

9 We're here to see if he was dismissed from  
 10 Special Risk, and if the process they did it was  
 11 proper, and so those are things we're going to do;  
 12 so this is just merely giving us a little  
 13 background information on what was going on which  
 14 isn't -- we'll weigh it for what it's worth, okay?

15 MS. STEVENS: As long as my objection is noted  
 16 on the record. I appreciate it.

17 CHAIRPERSON MYERS: I understand, and we do.

18 COMMISSIONER SEAY: Madame Chairman, I'm a  
 19 little confused here. I need to clarify.

20 So is it our job to determine whether or not  
 21 the process to get him to dismissal, is that our  
 22 role?

23 MS. COCHEU: No. Really your role is whether  
 24 or not he was properly or improperly placed and  
 25 removed --

1 COMMISSIONER SEAY: We have the authority to  
 2 do that?

3 MS. COCHEU: Yeah. And I think part of the  
 4 argument, obviously is process motivated in it.

5 COMMISSIONER SEAY: To get to a decision.

6 MS. COCHEU: Right, to get to the ultimate  
 7 issue that you guys got to determine.

8 COMMISSIONER SEAY: Okay.

9 MS. COCHEU: Now, Ms. Stevens, were there any  
 10 other objections to the documents that Petitioner  
 11 has proposed?

12 MS. STEVENS: Yes, ma'am. Just for the  
 13 record, this would be the same objection as I had  
 14 been raising, the circuit court complaint with all  
 15 the exhibits, I'd just like to have it noted on the  
 16 record I would object to any of those documents in  
 17 evidence.

18 MS. COCHEU: All right. Mr. Smith, are there  
 19 any documents that the Respondent has proposed to  
 20 which you have an objection?

21 MR. SMITH: No, I think some of them actually  
 22 -- as I was going through, I think some of them may  
 23 be duplicative, but I'm not going to go back. It's  
 24 fine. I think a couple of letters she's put in are  
 25 actually attached. I don't care. I have no

1 objection to what they want to put in.  
 2 MS. COCHEU: Now, at this point I have not  
 3 asked the City of Alachua what its position is?  
 4 MR. RUDE: Essentially Mr. Smith is setting  
 5 forth the positions for the City of Alachua. The  
 6 one question that I would raise, which again goes  
 7 to the argument that Ms. Stevens made, is if we  
 8 cannot get the decision of whether he was properly  
 9 removed from this Commission -- which is the  
 10 original petition, the original everything that was  
 11 filed -- then we need to go back to where it was  
 12 which was DOAH, which in the cases I've read  
 13 there's a recommendation that goes back up to this  
 14 Commission again.  
 15 So it seems to me we're going to get to the  
 16 same place, but we just want to make sure on the  
 17 record that what was petitioned and what was asked  
 18 for is a hearing on the wrongful removal without  
 19 any notice, without any opportunity to be heard,  
 20 just to plain get a letter that says, "This is it,"  
 21 and that letter also said, "You should file for a  
 22 DOAH hearing." That's the letter that we received  
 23 from DMS.  
 24 So I just wanted to make that clear, but  
 25 otherwise the City is adopting, just for the

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 record, so we can have it a little more smooth  
 2 sailing -- that we are adopting the arguments being  
 3 presented by Mr. Smith.  
 4 MS. COCHEU: Thank you. Now, the other issue  
 5 with respect to documents concerns the materials  
 6 that we just received: Petitioner's Reply  
 7 Memorandum to Respondent's Response to Objection,  
 8 and there were some attachments thereto that came  
 9 up for objection.  
 10 Ms. Stevens, would you like to weigh in on  
 11 that?  
 12 MS. STEVENS: Normally, I would object to such  
 13 a late filing, but, no, I don't have any objection  
 14 in this case. It didn't say anything profound so  
 15 it's fine.  
 16 MS. COCHEU: Have the Commission members had  
 17 an opportunity to review that? It's a six-page  
 18 pleading with attachments.  
 19 COMMISSIONER SEAY: Can you please repeat what  
 20 you're referring to?  
 21 MS. COCHEU: The Petitioner's Reply Memorandum  
 22 to Respondent's Response to Objection that we  
 23 received this morning. I will show you.  
 24 COMMISSIONER SEAY: I got it.  
 25 MS. COCHEU: I wanted to make sure you have

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 it. Brandi, you left copies.  
 2 COMMISSION CLERK TANTON: I gave you and Alice  
 3 a copy because I just got it.  
 4 MS. COCHEU: You have the faxed one, and I got  
 5 the hard copy for the file. I got the original.  
 6 CHAIRPERSON MYERS: We haven't really read  
 7 through this.  
 8 MS. COCHEU: I think this is probably the  
 9 appropriate time to bring this up. Given that  
 10 there are a substantial number of exhibits and I  
 11 believe there will be a number of witnesses,  
 12 sometimes with these bigger cases, the Commission  
 13 does not deliberate at the time; that they would  
 14 want to probably have some time to digest the  
 15 matters and would request a proposed recommended  
 16 order from the parties.  
 17 Would that be the pleasure of the Commission?  
 18 COMMISSIONER DOSTER: That sounds good.  
 19 CHAIRPERSON MYERS: I would think so because  
 20 we got -- this, as I say, was given to me this  
 21 morning; so we had a full schedule this morning as  
 22 you know, and we have had no opportunity to read  
 23 this, but we can hear everybody and everything and  
 24 take notes and then --  
 25 MS. COCHEU: Get a transcript.

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 CHAIRPERSON MYERS: -- get a transcript, and  
 2 you can write your closing, and we can read those,  
 3 and we can notify you of our decision, or you can  
 4 be present when we make the decision if you want  
 5 to.  
 6 MS. COCHEU: Yeah. I think that because there  
 7 are interested parties who are likely to have this  
 8 on appeal, that to give everybody a fair shot, I  
 9 think they're going to need to digest this stuff.  
 10 MS. STEVENS: Just for clarification, Madame  
 11 Chair, did you say that we would be writing our  
 12 closing?  
 13 MS. GUSTAFSON: Proposed recommended order.  
 14 MS. STEVENS: Proposed recommended order.  
 15 Okay.  
 16 MS. COCHEU: You can obviously make an  
 17 argument, but in terms of them looking at this page  
 18 and that page and all, it's going to take them a  
 19 long time to assemble it.  
 20 CHAIRPERSON MYERS: What do we have coming up?  
 21 Where are we?  
 22 MS. COCHEU: Any other -- I guess, the  
 23 question is any other exhibits that we don't have  
 24 before us that I haven't mentioned.  
 25 MR. SMITH: Give me just a second.

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 MS. COCHEU: Because the next thing is the  
 2 witnesses. We need to ID them.  
 3 COMMISSIONER SEAY: We've gone through all the  
 4 exhibits so far, so we hold on to everything?  
 5 MS. COCHEU: Yeah.  
 6 COMMISSIONER SEAY: We're going to need a copy  
 7 of this?  
 8 MS. COCHEU: Brandi, can you make copies for  
 9 everybody?  
 10 (Petitioner's, Respondent's and Composite  
 11 Exhibits were identified and received into the  
 12 record.)  
 13 MR. SMITH: I think that that constitutes --  
 14 as I bring up witnesses, I have files for them. If  
 15 I have something, obviously I'll show it, but I  
 16 don't think I have anything that's been listed, and  
 17 I think everything we listed has been placed in  
 18 front of you already.  
 19 MS. STEVENS: All right. We do not have  
 20 anything else.  
 21 MS. COCHEU: Okay. Each party should be given  
 22 an opportunity to make an opening and closing  
 23 statement. The Petitioner should make his  
 24 presentation first and then the Respondent.  
 25 The parties shall have an opportunity to

1 respond to all evidence and testimony, including  
 2 cross-examination of witnesses, and the  
 3 introduction of rebuttal evidence is permissible.  
 4 Each party shall make a closing argument and  
 5 the Petitioner -- well, actually each party should  
 6 be making a closing argument in addition to  
 7 submitting a proposed recommended order which can  
 8 include more argument on facts, the evidence, and  
 9 the law to be applied.  
 10 This hearing is being conducted to determine  
 11 whether or not Mr. Watson is entitled to Special  
 12 Risk membership. Only testimony and evidence  
 13 relevant to issues in the hearing will be allowed.  
 14 Testimony or evidence which is repetitive or  
 15 cumulative will not be permitted.  
 16 Are all witnesses who are to testify present?  
 17 MR. SMITH: Yes.  
 18 MS. COCHEU: All right. Would you --  
 19 Petitioner, would you tell us who the witnesses are  
 20 because I'm going to have everybody sworn in.  
 21 MR. SMITH: Yes. I will list all my  
 22 witnesses, but I actually think I'm only going to  
 23 call four depending on how it goes because I think  
 24 some would be cumulative.  
 25 Clovis Watson, Jr; Traci Cain; Joel DeCoursey;

1 Bonnie Burgess. I also have Jean Calderwood and  
 2 Gib Coerper here. There are three commissioners  
 3 that I don't know that I will call. I don't know  
 4 that I need to put on all three commissioners.  
 5 MS. COCHEU: Ms. Stevens?  
 6 MS. STEVENS: Joyce Morgan from the Division,  
 7 and Terry Baker from FDLE.  
 8 MS. COCHEU: Would all of those people whose  
 9 names that were mentioned by the counsel please  
 10 stand and raise your right hand so our court  
 11 reporter can swear you in.  
 12 (The witnesses were sworn.)  
 13 MS. COCHEU: Now, does either party wish to  
 14 invoke the rule of excluding witnesses?  
 15 MS. STEVENS: Yes, ma'am.  
 16 MR. SMITH: Yes, ma'am.  
 17 MS. COCHEU: All right. Now, we've got to  
 18 find a place for these folks.  
 19 CHAIRPERSON MYERS: There is a library out  
 20 there.  
 21 MS. COCHEU: Okay. Because I didn't want them  
 22 just sitting in the hall.  
 23 All right. Ladies and gentlemen, the rule of  
 24 exclusion has been invoked. That means that you  
 25 will not be allowed in the hearing room until your

1 time to testify comes.  
 2 We apparently have a place for you to make  
 3 yourself comfortable, as comfortable as possible.  
 4 The witnesses are cautioned not to discuss the  
 5 case either before or after testifying until  
 6 they're excused. Counsel for either party may  
 7 enter into discussions with their respective  
 8 witnesses.  
 9 Witnesses are to remain available after  
 10 testifying until the chair excuses them with the  
 11 consent of both parties.  
 12 Brandi, can you step these ladies and  
 13 gentlemen out?  
 14 COMMISSION CLERK TANTON: Sure.  
 15 MR. SMITH: If I might say for all of you, the  
 16 order I gave is the order I intend to call you if  
 17 that helps anybody.  
 18 MS. COCHEU: All right. It's time for  
 19 opening.  
 20 CHAIRPERSON MYERS: Mr. Smith, would you like  
 21 to give your opening statement?  
 22 MR. SMITH: Yes. Thank you to the Commission.  
 23 You obviously have a great deal of documents and  
 24 motions and information in front of you, but I want  
 25 to tell you very briefly the case that I'm going to

1 present because this is a unique circumstance that  
2 probably could never be replicated, and finding out  
3 how we got here is an extraordinary journey.

4 The City of Alachua is a small town in North  
5 Florida that has now probably about 8,000 people.  
6 But probably had about 6,000 people in 2002, and in  
7 1983 was probably half of that.

8 The City of Alachua has a very limited staff,  
9 and we'll have somebody that will talk about the  
10 positions they had. They did not -- in certainly  
11 any of the time relevant here, didn't have a  
12 personnel or a human resources department. They  
13 had basically a set of departments which included  
14 the finance department which did everything from  
15 bill you for your water to send in salary, and some  
16 clerk at some point was assigned the job of sending  
17 in the monthly reports for retirement.

18 Clovis Watson was hired into the police  
19 Department in the City of Alachua in 1983 as a  
20 patrol officer. He was the first African-American  
21 to be hired in the police department. He was going  
22 to -- had a high school education at the time,  
23 going to college, and he continued to work in that  
24 department for the next 19 years.

25 In 1996, Clovis became a major, which in the

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 Department that's the rank because the department  
2 has rankings, paramilitary rankings, but his job  
3 was actually Deputy Chief.

4 During all of this period of time he was in  
5 the high risk retirement plan, and for that there's  
6 really -- there's no consternation.

7 What occurs really in terms of understanding  
8 how we got where we are now happened in 2000. In  
9 2000, a relatively long-term city manager left the  
10 City of Alachua; and between 2000 and 2002 we  
11 managed to go through four city managers at about  
12 an every-six-month interval, in the course of which  
13 the City Commission became frustrated because at  
14 least in the case -- they'll testify, in the case  
15 of one city manager, by the time we got to know who  
16 he was, he'd already left.

17 And so they made a decision that they wanted  
18 to get somebody with some stability because we had  
19 lost city managers and the life spans had been  
20 about six months.

21 In 2002, the Department -- excuse me -- the  
22 Commission came to Clovis Watson. By then he had  
23 finished his bachelor's degree and was working on  
24 his master's degree. He had a law enforcement  
25 degree, and he was now getting his degree in

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 administration, and they said to Mr. Watson, "We  
2 would like you to come in and be the Interim City  
3 Manager."

4 Mr. Watson will testify that he went to see  
5 then the -- well, there was only one lawyer in town  
6 then. When he came to see me, basically the advice  
7 he got was, "Don't give up your day job for City  
8 Manager because the life span around here is not  
9 very long."

10 Mr. Watson will tell you that he required  
11 three things of the City, and you have it in your  
12 packet. In June of 2002 he entered into a contract  
13 as the Interim City Manager with the following  
14 stipulations: One, if for any reason you don't  
15 like the job I'm doing, you can fire me as City  
16 Manager, but you have to put me back as Deputy  
17 Chief because I'm not giving up 19 years as a  
18 police officer over three votes on a Commission  
19 that may change at any time.

20 Two: I stay in the high risk plan, and you  
21 agree that I stay in the high risk plan, and we  
22 will accommodate my job so that it meets the  
23 requirements of the high risk plan. You have the  
24 contract in front of you.

25 Well, at the time Mr. Watson took over as

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 Interim City Manager in June -- actually I think  
2 the contract is approved by the City on June 26,  
3 2002. I think there was discussion for a couple  
4 weeks before that.

5 After two months, the City decided Mr. Watson  
6 was doing as well as anybody else had done. He'd  
7 survived almost a third of the normal life span for  
8 city managers, and so they decided to give him the  
9 position of permanent City Manager.

10 Again, Mr. Watson said, "Okay, I'll take the  
11 job, but here's the problem: I've got 19 years in  
12 Special Risk. I take care of my mother. I'm  
13 getting my master's degree. I'm working my way  
14 towards --" we'll get his educational  
15 accomplishments "-- I want to retire under Special  
16 Risk."

17 The City said, "Fine."

18 Now, what happens in the interval sounds like  
19 a grand conspiracy, but it's really going to turn  
20 out to be very, very simple.

21 The City of Alachua in 2002 had a finance  
22 director, and that was the only person that dealt  
23 with payroll at all, and the only person that dealt  
24 with retirement was a clerk who was assigned to  
25 send in a monthly report.

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 When Mr. Watson was transferred to the  
 2 position of City Manager/Police Commissioner --  
 3 which they give him that title because part of the  
 4 deal with the City was, "Okay. I'll agree that I  
 5 will keep my certification, and I will participate  
 6 in investigations in the police department, and we  
 7 will talk about -- and I will supervise the police  
 8 department, in exchange for which you will allow me  
 9 to continue in this. And if at any time you get  
 10 rid of me, I go back and I'm reassigned to the  
 11 police department because I'm not taking the job as  
 12 City Manager without that stipulation. I've got  
 13 plans of my own."

14 Everything goes fine. A city clerk files --  
 15 continues to file what's called an HB filing. HB's  
 16 the code for Special Risk. We'll have a witness  
 17 who will say the record shows that nobody changed  
 18 anything. They continued to turn him in, and when  
 19 he became the permanent City Manager, they  
 20 continued to file it as an HB, but what they did  
 21 was they notified -- because he had been making  
 22 about \$54,000. His salary went to \$80,000. The  
 23 only thing changed was they showed a \$25,000 pay  
 24 increase. No questions were asked.

25 Mr. Watson was never -- there won't be any

1 questions. Mr. Watson was never presented by the  
 2 City, nor by any agency, any election that he chose  
 3 to elect to remain within the provisions of any  
 4 plan or not because it didn't occur to Mr. Watson.

5 In 2002, when he took the job, the other thing  
 6 that happened is that the long-term City Clerk, as  
 7 fate would have it, was out on Family Medical Leave  
 8 for pregnancy. She took Family Medical Leave, so  
 9 nobody checked with anybody regarding the records,  
 10 but she will go back and show -- and you have his  
 11 personnel file. But she will tell you, she's  
 12 checked the records, nobody received anything.

13 The first time there was any communication  
 14 after 2002 as to any change except for the  
 15 substantial increase in his pay that went out was  
 16 in -- and Mr. Watson the question never arises, he  
 17 kept his certification every year, he kept his  
 18 credits every year, and he kept the title as City  
 19 Manager, Ex Officio Police Commissioner and stayed  
 20 involved in the management of the department.

21 So that we don't think this is NYPD, I want to  
 22 give everybody an understanding here. The size of  
 23 the shifts in the Alachua Police Department is  
 24 four. So the Chief writes tickets, the Chief --  
 25 the Chief will testify that today he was at the

1 school zone because the lady was late that's  
 2 supposed to work there; so there was no question  
 3 that Clovis was supervising somebody that was  
 4 directly involved -- and he was intimately involved  
 5 and even made decisions regarding recommendations  
 6 as to who would be arrested, what crimes would be  
 7 taken by the department, et cetera.

8 In 2003, Mr. Watson made the decision that the  
 9 city employees of the City of Alachua had been  
 10 removed from FRS, and they had gone into the --  
 11 some of you remember this, the Florida League of  
 12 Cities had a municipal plan, and they had sold the  
 13 city employees on this in 1996.

14 In 2003, Mr. Watson, the City Manager, made  
 15 the decision that they wanted to bring -- give the  
 16 city employees -- and the City offered to pay and  
 17 agreed to pay they would pay -- they would recover  
 18 from League of Cities, pay any shortfall, and you  
 19 can buy your way back into the FRS.

20 In 2004, Mr. Watson will tell you that Andy  
 21 Snuggs from the DMS came down, made a presentation  
 22 to the City of Alachua. Mr. Watson was hosting to  
 23 the city employees to give them the plan, and at  
 24 which time Mr. Watson talked about and openly said,  
 25 "This is one of the reasons that I have remained in

1 the high risk plan is because if you move to  
 2 another job, you can stay in high risk."

3 As a matter of fact, there are documents that  
 4 Ms. Cain will talk about in communications with  
 5 Ms. Cain in which Mr. Watson set most of the  
 6 paperwork up. He was always listed as the City  
 7 Manager for the City of Alachua.

8 As a matter of fact, DMS came back in October  
 9 and said, "By the way, you need to pass an  
 10 ordinance now adopting what we've agreed to do."

11 An ordinance was passed and you have a copy of  
 12 that ordinance attached, and that ordinance was  
 13 passed and provided to them and Clovis signed it as  
 14 City Manager, and the ordinance passed at the  
 15 request of DMS. Nobody in 2004 raised any issue  
 16 about this.

17 In 2007, the testimony will be that DMS -- in  
 18 2007, that one individual in particular ran for  
 19 City Commission unsuccessfully, and he sued the  
 20 City enough times that he's built on to my house,  
 21 and he's lost every time and continues to lose.

22 But among the other things he did was he filed  
 23 a complaint with Ms. Morgan on June the 21st, and  
 24 he filed a complaint with the Department saying  
 25 that Mr. Watson was improperly claiming Special

1 Risk pension benefits.  
 2 On June 28, the Mayor gets a letter, and it  
 3 says, "You're hereby notified that your City  
 4 Manager...and you're removed from the plan."  
 5 We filed, as you know, a timely appeal, and  
 6 all of that is in front of you and will be  
 7 discussed. There are really two things I wanted to  
 8 show here.  
 9 Number one, I want to show that he should have  
 10 been, would have been, could have been eligible to  
 11 stay in, and he will testify -- and the Mayor will  
 12 testify, everybody -- Mr. Watson would never have  
 13 entered into this position of City Manager had he  
 14 thought this jeopardized his Special Risk.  
 15 The City will tell you that they know they owe  
 16 a tremendous shortfall. The money has been offered  
 17 back to the City. The City has sent the money back  
 18 because they take the position he should have been  
 19 maintained.  
 20 You have cases, which we will discuss in our  
 21 closing. You have cases where the issue is also  
 22 fairness and equity: What did people know and  
 23 when?  
 24 It is plain that Mr. Watson -- and if you read  
 25 the contracts -- and you have them in front of you,

1 and I invite you to read though -- you will see  
 2 that everything was structured to make sure that  
 3 Mr. Watson -- it was very clear -- that as Police  
 4 Commissioner, he was going to remain certified, he  
 5 was going to remain in the plan; and that he was  
 6 going to perform these special functions because of  
 7 that.  
 8 As a matter of fact, the testimony will be  
 9 that now the City has grown some and prospered  
 10 some, and they have two Assistant City Managers  
 11 assigned to to different functions of the City, but  
 12 not to the police department because the Assistant  
 13 City Managers don't have any authority over the  
 14 police department. The police department answers  
 15 directly to Clovis Watson as they always have under  
 16 all of these agreements.  
 17 I want to tell everybody this case isn't  
 18 really about money. Mr. Watson gets his money.  
 19 This case is about time. He lost five years. It  
 20 doesn't matter -- Mr. Watson has now announced, and  
 21 the testimony will be he's leaving the City. He's  
 22 taking another position.  
 23 The question is he's lost five years, and  
 24 there's no way to make it up. And at no time  
 25 during that five years did Mr. Watson or any -- he

1 never made an election, no one ever gave him an  
 2 election. People plainly knew at some point in  
 3 time he was in that position, and if it was a small  
 4 city government that made a mistake in terms of how  
 5 they reported, there wasn't anybody to do the  
 6 reporting. I know the statute says the personnel  
 7 department. There wasn't one.  
 8 So that's really what we're going to be here  
 9 about. That's the case I'm going to present. I've  
 10 got Mr. Watson; Ms. Cain, she's the person who's  
 11 been involved in all the administrative. She's the  
 12 person who's done all the administrative work who  
 13 was off during that period of time. I got the  
 14 Chief of Police to talk about Mr. Watson's  
 15 involvement and the role of the police department;  
 16 and I have Bonnie Burgess, the Mayor, who was the  
 17 Mayor at that time. I have three commissioners  
 18 here, but the Mayor who is now the Mayor who was  
 19 the Mayor when Clovis was hired who will say -- and  
 20 we're not going to play the film -- that Clovis'  
 21 requirements were, "I won't take the job if it  
 22 costs me my retirement", and that's how we got  
 23 here.  
 24 We think that the statute and the rules could  
 25 be read to where it fits Mr. Watson; but beyond

1 that, we think -- and we submit to you -- that  
 2 fairness and equity are that Mr. Watson ought to  
 3 get these five years. Nobody's trying to get  
 4 something that wasn't paid, wasn't earned. None of  
 5 that happened.  
 6 And finally, we think that it's critically  
 7 important to understand that Mr. Watson's problem  
 8 with retirement is one that's solely based on the  
 9 fact that because of the age and time matrix for  
 10 SMCS, his retirement's been delayed dramatically if  
 11 he does not prevail. It's certainly been delayed  
 12 by at least the five years that he retroactively  
 13 lost all the way back to -- ultimately they've gone  
 14 back and directed it to June of 2002.  
 15 Mr. Watson kept his certification up. The  
 16 question came up, the testimony will be, that  
 17 Mr. Watson -- and he was listed by the police  
 18 department as police officer because they were  
 19 sending it in for purposes of credits.  
 20 Mr. Watson will say that that was fine with  
 21 him because he kept his credits up. FDLE, when  
 22 they found out about this, they required him to go  
 23 into inactive status, but inactive status as a  
 24 certified police officer. Mr. Watson was never  
 25 separated from the police department. He was

1 placed on separation. His separation was to  
2 clarify he can't hold two offices. We know that.  
3 That will be dual office holding. You can't be an  
4 active police officer and the city manager, but you  
5 can be the city manager and a certified police  
6 officer which was all that was trying to be  
7 accomplished in this.

8 We think that this case is one in which the  
9 facts are not going to be hotly disputed. I think  
10 most of facts are going to be pretty plain. I  
11 think the question now is that whether or not it is  
12 just a rule per se, as has been suggested, that a  
13 city manager is a compulsory position and,  
14 therefore, can never make an election.

15 Well, the answer is, we don't think that's  
16 true. A city manager is a compulsory position, but  
17 a member who is a Special Risk member still has  
18 rights under the statute. If that's the case, then  
19 we're going to present a case that will show he  
20 never had an election. Nobody -- the City didn't  
21 give him an election, the Department didn't give  
22 him an election, no one ever asked the question.  
23 Mr. Watson acted all times in good faith, and  
24 that's the issue that will be in front of this  
25 Commission. Thank you.

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 MS. STEVENS: Thank you, Commissioners. As  
2 you heard, the Petitioner was a police officer with  
3 the Alachua Police Department from 1983 to 2002.

4 In 2002, he was appointed as the City Manager  
5 for the City of Alachua. The issue here today is  
6 whether the Petitioner is actually entitled to  
7 Special Risk Retirement while he was employed as  
8 the City Manager.

9 Now, despite what the Petitioner would like  
10 you to believe, this case isn't decided on things  
11 like, The City would really like him to have  
12 Special Risk Retirement, or, We just don't think  
13 that it's fair, or, Clovis Watson is a nice guy,  
14 or, He's done good things for the City.

15 That doesn't matter. What matters here are  
16 two statutes: The Special Risk statute and the  
17 Senior Management Service Class statute.

18 First we'll take a look at the Special Risk  
19 statute because that's where he's trying to get  
20 into. It's 121.0515, and you've been provided  
21 copies of those.

22 This provides the criteria for Special Risk  
23 Class membership. Subsection (2)(a) specifically  
24 deals with law enforcement officers. The first  
25 criteria listed is that you have to be employed as

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 a law enforcement officer. Clovis Watson is not  
2 employed as a law enforcement officer. He is  
3 employed as a city manager. It doesn't matter.  
4 You can be certified all day long, but if you're  
5 not employed as a law enforcement officer, it  
6 doesn't matter.

7 You can be the direct supervisor -- and I'm  
8 certainly not stipulating that he is -- but you can  
9 be the direct supervisor of first-line Special Risk  
10 members, and it doesn't matter because you're not a  
11 law enforcement officer.

12 Under the Special Risk statute he doesn't fit.  
13 Certification doesn't matter. Duties don't matter  
14 because he's not employed as a law enforcement  
15 officer.

16 So where does he go? Take a look at the  
17 Senior Management Service Class statute. It  
18 specifically says, "That except as provided in  
19 Subparagraph (2) below --" which I'll talk about  
20 "-- City Managers are Compulsory Senior Management  
21 Service Class members. That's where he goes.

22 Well, it does say, "except as provided in  
23 Subparagraph (2)."

24 So what does that say? Instead of  
25 participating in Senior Management Service Class,

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 he can withdraw from FRS altogether.

2 The Special Risk Class was already established  
3 when the statute came about, and for city managers  
4 that is not an option. They can be in Senior  
5 Management Service Class or they can opt out of  
6 FRS.

7 The Petitioner is a city manager. He belongs  
8 in the Senior Management Service Class.

9 Now, you've heard Mr. Smith talk about this  
10 election. This election is found in the Senior  
11 Management Service Class statute. However, if you  
12 look at the statute -- it's found in Subsection (6)  
13 -- this election is reserved for individuals  
14 eligible for the Senior Management Optional Annuity  
15 Program, because Subsection (6) creates or  
16 establishes this program, which is also called  
17 SMOAP. I'll refer to it as SMOAP. If you're not  
18 eligible for SMOAP, you don't even go to Subsection  
19 (6). It's not even an option for you.

20 Only state employees are eligible for SMOAP.  
21 How do we know this? When you look at the statute,  
22 you look at (a), (b), (c), you go down, each  
23 particular subsection talks about a different  
24 category of positions.

25 City managers and other local compulsory

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 agency employees are found under Subsection (1)(b).  
 2 At the end of each subsection, like I said, if you  
 3 look at the end, it will say in the other  
 4 subsections -- not dealing with local agency  
 5 employees, it says they can also go -- or they can  
 6 also be a member of SMOAP. It does not say that in  
 7 Subsection (b) which deals with local agency  
 8 employers. It says that they can withdraw from  
 9 FRS. You don't go to Subsection (6), and if you  
 10 don't go to Subsection (6), you certainly don't go  
 11 to Subsection (6)(c)(3). It's not an option.

12 However, let's entertain the idea that it may  
 13 be an option. The statute says that the election  
 14 has to be filed -- it shall be filed -- which is  
 15 mandatory -- must be filed within 90 days of the  
 16 appointment to a Senior Management Service Class  
 17 position. The Petitioner has admitted the failing  
 18 to file an election in Answer Number 1 to the  
 19 interrogatories which have been filed with you.

20 The Division didn't even know of his  
 21 appointment to the Senior Management Service Class  
 22 until years after he was appointed. Certainly not  
 23 within the 90 days.

24 And he says, "Well, no one ever told me about  
 25 the election. It's not fair."

1 Well, number one, you're not entitled, but  
 2 even if you were entitled, how in the world would  
 3 we tell you about it because he had been reported  
 4 by the City as a law enforcement officer since  
 5 1983. There was never any change.

6 They were sending in their reports that said  
 7 all of the individuals in the city that were in  
 8 FRS -- have their names, have their codes -- he was  
 9 reported under the law enforcement officer code  
 10 since 1983.

11 Why would we question that? Why would we send  
 12 him a notice when he didn't even tell us he was  
 13 switching his position?

14 And, also, he says it was so important to  
 15 me -- and you'll see in the affidavits that were  
 16 filed -- that he says, you know, that he went to  
 17 the Chief of police at the time to make sure he was  
 18 being reported the right way.

19 Well, he never came to the Division. It's so  
 20 important to him that he stay in the Special Risk  
 21 Class, yet he never came to the Division and asked  
 22 us. He just took the position assuming.

23 And the courts have said the cities are not  
 24 agents of the Division. We didn't tell him, and we  
 25 would certainly never tell him he's entitled to

1 Special Risk as City Manager because as the  
 2 testimony of Joyce Morgan will say, he would be the  
 3 absolute first city manager or county manager  
 4 that's in Special Risk. He would be the only one.  
 5 He would be setting a new precedence for all city  
 6 managers who have ever been in Special Risk to  
 7 remain in the Special Risk Class because there's  
 8 not one, there never has been, and there isn't  
 9 currently any city manager or county manager that  
 10 has remained in the Special Risk Class.

11 We've looked at the Special Risk statute. He  
 12 doesn't fit. He's not employed as a law  
 13 enforcement officer. Certification or not. It's  
 14 where your employed.

15 I'm a lawyer, and I could go be a janitor. It  
 16 doesn't make me a lawyer. It's clear where it  
 17 belongs. The City doesn't decide where he belongs.  
 18 Mr. Watson doesn't decide where he belongs. The  
 19 legislature decides where he belongs, and the  
 20 legislature has said that city managers are  
 21 Compulsory Senior Management Service Class members,  
 22 and we request that you uphold the Division's  
 23 decision to deny his membership in the Special Risk  
 24 Class for this period of time.

25 CHAIRPERSON MYERS: Thank you. Do you want to

1 call a witness?

2 MR. SMITH: Yes. We'd request a five-minute  
 3 break.

4 (Whereupon, a recess was taken from 2:46 to  
 5 2:52 p.m.)

6 CHAIRPERSON MYERS: Mr. Smith, are you ready  
 7 for your first witness?

8 MR. SMITH: I call my first witness. Clovis  
 9 Watson.

10 CHAIRPERSON MYERS: Mr. Watson's going to be  
 11 your first witness. He's been previously sworn.

12 \* \* \* \* \*

13 Whereupon,

14 CLOVIS WATSON, JR.

15 was called as a witness, having been first duly sworn to  
 16 speak the truth, the whole truth and nothing but the  
 17 truth, was examined and testified as follows:

18 DIRECT EXAMINATION

19 BY MR. SMITH:

20 Q. State your full name, sir.

21 A. Clovis Watson, Jr.

22 Q. And where do you reside?

23 A. 16591 Northwest 129th Terrace, Alachua,  
 24 Florida.

25 Q. How long have you lived in Alachua, Florida?

1 A. All my life.  
 2 Q. And how many years would that be?  
 3 A. 50 plus -- 51 -- I'm not 51 yet. I'll be 51  
 4 this year.  
 5 Q. And what is your employment?  
 6 A. City Manager, City of Alachua.  
 7 Q. When were you first employed with the City of  
 8 Alachua?  
 9 A. 1983.  
 10 Q. Tell this Commission what position that you  
 11 were hired into at the City of Alachua.  
 12 A. Patrolman.  
 13 Q. And at the time in 1983 when you were hired  
 14 into the Alachua Police Department, how many officers  
 15 did the City have?  
 16 A. I think we had about between 9 and 11, I  
 17 believe, if that.  
 18 Q. And --  
 19 A. Something like that.  
 20 Q. And if I could go back --  
 21 A. If I remember correctly.  
 22 Q. -- at the time, how many African-Americans did  
 23 you have in the City of Alachua Police Department?  
 24 MS. STEVENS: Relevance? I don't know how him  
 25 being an African-American has anything to do with

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 sergeant, how long did you stay in that position?  
 2 A. Until 1996.  
 3 Q. And in 1996 how has your employment changed?  
 4 A. I was promoted to the position of Deputy Chief  
 5 of Police.  
 6 Q. Did that have a rank?  
 7 A. Major.  
 8 Q. And without going in all of the structure of  
 9 the police department, at the time you became the Deputy  
 10 Chief in 1996, approximately what was the size of the  
 11 Department.  
 12 A. Approximately maybe 15, 16, something like  
 13 that.  
 14 Q. That included you and the Chief?  
 15 A. That's correct, if my memory serves me  
 16 correctly.  
 17 Q. And what were the duties that you had as the  
 18 Deputy Chief?  
 19 A. I supervised the day-to-day operations  
 20 certainly under the directions of the Chief. I was also  
 21 the PIO, public information for the City. I wrote all  
 22 the press releases. I was over grants and contracts, as  
 23 well as school resources, community policing, a great  
 24 deal of day-to-day functions.  
 25 Q. Between 1983 -- at the time you were hired in

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 being City Manager or Special Risk Retirement.  
 2 MR. SMITH: Actually, if you'll allow me, I  
 3 will show that he was hired because there was a  
 4 racial incident, and that was a primary concern why  
 5 they were hiring him.  
 6 MS. STEVENS: I just don't know why 19 years  
 7 later would have anything to do with --  
 8 MR. SMITH: Well, he's been African-American  
 9 all his life.  
 10 MS. STEVENS: Really? That's amazing. I  
 11 think Joyce has, too.  
 12 CHAIRPERSON MYERS: Actually, I don't think  
 13 there's a relevance in it. I mean, in this day and  
 14 age, why then -- and you have proven that you can  
 15 do your job and have done very well. I mean, you  
 16 certainly have a high recommendation all through  
 17 your career which we have all recognized.  
 18 THE WITNESS: Yes, ma'am.  
 19 BY MR. SMITH:  
 20 Q. And how long did you reign the position of  
 21 patrolman?  
 22 A. Until 1994.  
 23 Q. And what happened in 1994?  
 24 A. I was promoted to the position of sergeant.  
 25 Q. And when you were promoted to the position of

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 1983, what was your education?  
 2 A. When I was hired in '83, I only had my high  
 3 school.  
 4 MS. STEVENS: I'm sorry, Commissioners. I'm  
 5 going to have to object to this, too. I just don't  
 6 understand what his education has anything to do  
 7 with his retirement benefits.  
 8 MR. SMITH: Seems to me we normally give  
 9 background on witnesses so you understand --  
 10 CHAIRPERSON MYERS: We give a little  
 11 background so we know. We don't go --  
 12 MR. SMITH: I won't spend a great deal of time  
 13 on it.  
 14 BY MR. SMITH:  
 15 Q. I think it's important because by 1996 when  
 16 you became the Deputy Chief, how had your education  
 17 changed?  
 18 A. Completed an associate's degree in criminal  
 19 justice technology.  
 20 Q. And were you pursuing any others?  
 21 A. I was pursuing my bachelor's.  
 22 Q. After 1996 -- before I leave that, in the City  
 23 of Alachua Police department, did the Deputy Chief as  
 24 well as the Chief actively involve themselves in the  
 25 enforcement of the laws, pursuit and apprehension of

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 violators?

2 A. We did everything, and it is the same way for  
3 most small municipalities. The entire department sort  
4 of operates where everyone puts their hand in the jar,  
5 if you will, to help out with the operations of the  
6 Department. You do traffic, you do investigations, you  
7 do -- if someone is not available, a traffic light goes  
8 out, you go out and do it. You don't have the luxury of  
9 some of the larger municipalities where you can sit in  
10 the office and someone else does it.

11 Q. In 2002 did your position change in the City  
12 of Alachua?

13 A. Yes.

14 Q. Tell the Commission how that came about.

15 A. Well, the City had gone through approximately  
16 four or five city managers in a very short period of  
17 time. I was the Deputy Chief. I attended a great deal  
18 of the Commission meetings.

19 Then we had the last one they fired, and I was  
20 actually attending that particular meeting, and I was  
21 there as the police official, and the Commission --  
22 after they fired this final city manager, they stated  
23 they wanted to pick someone within the City of Alachua  
24 to sit in in the interim until a permanent city manager  
25 was found, and I was the one they picked, and certainly

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 contract because the City was going through a very, very  
2 difficult time.

3 Q. In August of -- this was in June of 2002 --

4 A. That was June 5, 2002.

5 Q. In August of 2002, did you again change your  
6 status with the City?

7 A. At that time they liked what was happening.  
8 They liked the energy and some of the initiatives I was  
9 putting forth in the community as Interim, and they  
10 offered the position to me permanently, and certainly I  
11 accepted with those stipulations in the contract.

12 Q. And again I have presented, I think, a series  
13 of contacts that go from August all the way to date.

14 But in those contracts, have you retained the original  
15 right to return to the police department at any time?

16 A. To this very day.

17 Q. And moreover in the contracts, was it provided  
18 that there was to be a title of City Manager/Ex Officio  
19 Police Commissioner?

20 A. That's correct.

21 Q. Tell the Commission why the City added the ex  
22 officio title of police commissioner to your position.

23 A. Well, one they wanted me to -- as I wanted to  
24 and they agreed -- to keep my high-risk status.

25 Number 2, because I had been with the City of

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 I was honored and blessed with the opportunity, but  
2 certainly I had some concerns.

3 Q. What were the concerns that you had about  
4 becoming the Interim City Manager?

5 A. Well, one, you know, it was -- city managers  
6 were going through like a conveyor belt.

7 Number 2, my -- as I stated and as you alluded  
8 to -- my high risk retirement, where I spent the better  
9 part of 19 years with the police Department.

10 Q. And did you -- as a result of that, did you  
11 require a written contract with the City?

12 A. Yes, I did.

13 Q. I'm not going to go through and reidentify  
14 things that are already in this record, but you first  
15 had a contract as the Interim Chief?

16 A. Yes. Interim City Manager.

17 Q. Excuse me. Interim City Manager.

18 A. Yes.

19 Q. And without going in all the details, were you  
20 then -- if they decided not to retain you as City  
21 Manager, what would happen?

22 A. Well, I asked for a provision to allow me to  
23 go back to the police department in the same or similar  
24 role if it did not work out as the City Manager, and  
25 that was -- and the Commission agreed to put that in the

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 Alachua for so very long, you establish a rapport with  
2 the community where everyone looks to you. They wanted  
3 me to work closely with the police department because of  
4 so many of the issues. I knew the families, I knew the  
5 areas -- in particular -- the concerns, the drug areas,  
6 and they wanted me to play a role in looking at video,  
7 different things of that nature -- too much to get into  
8 at this particular time, and I did that in assisting the  
9 police department as well as having my high-risk status.

10 Q. Were you required to remain as -- to keep that  
11 police commissioner title -- to remain certified with  
12 the State of Florida so if, in fact, you were removed  
13 you were eligible to go back immediately to your sworn  
14 position?

15 A. That was their requirement of me. My  
16 requirement of them was to allow the things that I  
17 stated. Their requirement of me was to have my  
18 certificate active so if they do send me back -- or I  
19 elect to go back -- then I was certified so that I could  
20 work with the police department.

21 Q. And between 2002 to date, have you kept your  
22 certification with the State of Florida FDLE as a law  
23 enforcement officer?

24 A. Yes, I have.

25 Q. And that was a requirement of your position?

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 A. That's correct.  
 2 Q. Okay. Now, in 2004 -- late 2003, early 2004,  
 3 did you, as City Manager, make any decisions regarding  
 4 the status of some of the city employees related to the  
 5 state retirement system?  
 6 A. Yes. And I really need to explain that, if I  
 7 may. When I was -- I had been working for the City for  
 8 quite some time, so I was grandfathered in with state  
 9 retirement.  
 10 And in 1996, I believe, one of the former city  
 11 managers elected to go to Florida League of Cities.  
 12 Well, I can tell you from being a long-time employee and  
 13 knowing all of the employees, they were not happy with  
 14 that. They didn't think it was a good system, even if  
 15 the manager did, and the finance director at the time  
 16 thought it was.  
 17 So when I was blessed with this opportunity to  
 18 be the City Manager, one of the first things we looked  
 19 at is to evaluate getting back, even though it didn't  
 20 happen until '04, but one of the first things I advised  
 21 my staff to do was evaluate getting back into the  
 22 Florida Retirement System.  
 23 And let me be clear: It was not self-serving  
 24 because I was grandfathered in. I was already getting  
 25 state retirement, but they weren't. Half of our

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 employees were, half were not, and I wanted all of us to  
 2 be on one plan because I do think the Florida State  
 3 Retirement is the best system in the State of Florida.  
 4 Q. Did you assign that job, if you will, of  
 5 getting them back into the system to any of your  
 6 subordinates?  
 7 A. I assigned it to Traci Cain.  
 8 Q. Okay. Now, before I leave this, in 2002,  
 9 first when you were named the interim manager and then  
 10 named the permanent manager, did you have a personnel or  
 11 human resource department in the City?  
 12 A. Not at the time. I worked as the manager to  
 13 bring some serious structure to the City, and we have  
 14 grown immensely under my directive the last few years.  
 15 Q. But in 2002, was there a personnel department?  
 16 A. No.  
 17 Q. A human resources department?  
 18 A. No.  
 19 Q. In 2002, did you know how the City reported  
 20 you to the Department of -- to the Division of  
 21 Retirement?  
 22 A. I didn't know how, but I advised the Chief at  
 23 the time and made sure he continued to report me high  
 24 risk -- well, he was at the meeting when the Commission  
 25 stated it, and so he continued to report me as I was

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 being reported because after they approved it -- and I  
 2 sincerely did not know there was something else to do,  
 3 and if I had, I would have, but I sincerely didn't know.  
 4 Q. Did anybody ever from the City or from any  
 5 agency of the state provide you any papers by which you  
 6 were to make an election or a selection of which system  
 7 you were to be in?  
 8 A. No, I don't think they knew.  
 9 Q. Now, in 2004, pursuant to this idea that you  
 10 had to move the employees after 1996 back into state  
 11 retirement, did you have anybody from the Division of  
 12 Retirement come down and meet with the employees of the  
 13 City?  
 14 A. Yes. It was a lady in -- I cannot think of  
 15 her name. The guy -- I cannot think of his name. Right  
 16 now, if you say it, I might recall.  
 17 Q. Do you recall meeting with Andy Snuggs?  
 18 A. Mr. Snuggs and another lady with him came and  
 19 did a presentation for all of my employees.  
 20 And one thing I will add being sworn as city  
 21 manager, I wanted the officers to be clear that it's a  
 22 good opportunity, and I stated in this meeting with  
 23 Mr. Snuggs that it afforded me the opportunity to get  
 24 into an administrative role and maintain my high risk  
 25 retirement. This was discussed in this open meeting and

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 there may be minutes to it if the state took any, and  
 2 that was me making the officers comfortable that if you  
 3 go up the ranks, you still would have that opportunity.  
 4 Q. And outside of that meeting, did you talk with  
 5 Mr. Snuggs about the role you were playing in the police  
 6 department?  
 7 A. We talked on the side, but I don't remember  
 8 everything we said, but we had conversations about  
 9 Alachua and me leading the community now and certainly  
 10 me being a former cop certainly, but nothing officially  
 11 to him, just --  
 12 Q. Was anything raised in conversation or  
 13 otherwise when you said that you had remained in the  
 14 Special Risk pension -- the high risk pension, I'm  
 15 sorry -- I think is what you called it?  
 16 A. No. I think the officers asked a couple  
 17 questions, and I really can't recall what they were, but  
 18 that was something I shared with them because I wanted  
 19 my staff to buy into it because when you make a change,  
 20 you really want to explain it to your staff, and I just  
 21 truly thought that this was much better than the  
 22 retirement system the previous manager had elected to  
 23 take.  
 24 Q. And I'll get into this later with Ms. Cain for  
 25 the most part, but during this period of time in

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 exchange of documents, was the City eventually required  
2 to pass an ordinance adopting a plan that would transfer  
3 the employees into the state retirement system?

4 A. Yes. It's part of the process.

5 Q. You have that document -- that ordinance is  
6 already in the record. And at that time, you signed it  
7 as the City Manager?

8 A. That's correct.

9 Q. When was the first time you ever learned there  
10 was any issue regarding your retirement status?

11 A. I think the same day, and I don't know whether  
12 it was -- which came first. I was -- excuse me.

13 Q. Do you remember being informed of a letter  
14 that Mayor Coerper had received?

15 A. (Witness nods head affirmatively.)

16 Q. Do you remember that?

17 A. Give me a second.

18 Q. Yeah. Take a break?

19 A. Yes, I was with my mother.

20 Q. I want to ask you very quick -- back up just  
21 because you mentioned this, who was there?

22 A. Give me a second. Hold on.

23 MR. SMITH: Could we have a break for a  
24 second?

25 (Whereupon, a brief recess was had and Mr.

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 Watson left the room.)

2 BY MR. SMITH:

3 Q. Mr. Watson, before I go back to the last  
4 question, I want to back up just a moment and ask you  
5 this, you mentioned your mother -- and I know that's a  
6 difficult situation, but was there a specific reason at  
7 the time that you took the position that you informed  
8 the City of why it was important for you to have early  
9 retirement?

10 A. Yes. I have a disabled mother that I take  
11 care of, and that was the time frame that I planned to  
12 do that. But certainly I'm looking at other  
13 opportunities, but certainly '08 is -- really I planned  
14 to retire in November of '08, and this came up; so that  
15 certainly changed things quite a bit, so I apologize for  
16 getting a little emotional when I talk about my mother  
17 because she's a little -- not in good shape.

18 Q. I think my question to you was when was the  
19 first time you actually remember there being any issue  
20 raised --

21 A. It was on TV-20, and I was there with her, and  
22 that's when she got worried because she thought no one  
23 would be there, but certainly my sister's stepping in.  
24 It was -- I think I got the letter the same day it was  
25 on TV-20 if I'm not mistaken from the Tallahassee area.

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 Q. Prior to that date, had you had anyone ever  
2 ask you any questions from any Division regarding -- or  
3 any Department regarding your status in the retirement  
4 system?

5 A. No. That was the first time I knew of it.

6 Q. Now, there's in this -- I think it has already  
7 been filed in some documents from a Mr. Grapski?

8 A. Yes.

9 Q. I'm not going to spend a lot of time on this,  
10 but Mr. Grapski was the party and his attorney was Mr.  
11 Little. Mr. Grapski and Mr. Little were the ones that  
12 made the original --

13 MS. STEVENS: Relevancy?

14 MR. SMITH: I think it's extremely relevant to  
15 talk about the nature of -- how this allegation  
16 came about, and the fact that nobody ever asked.  
17 There was an immediate response of pulling him out  
18 of the system, never given a hearing before he was  
19 pulled out of the system on the basis of  
20 allegations by somebody who was a disgruntled  
21 officer seeker who had --

22 MS. STEVENS: I'm sorry. I don't understand  
23 why that needs to be on the record. The individual  
24 we got our information from was a follow-up call  
25 from the Governor's office asking us to investigate

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 Mr. Watson's situation. I don't know why that's  
2 relevant.

3 MR. SMITH: That's interesting, because if  
4 they were supposed to investigate, I don't remember  
5 that investigation taking place. All I remember is  
6 eight days later they got a notice he'd been  
7 removed retroactive to 2002. That's some  
8 investigation.

9 MS. STEVENS: The investigation is to look at  
10 a provision and say, He's a City Manager. The  
11 statute says, City Managers go here, and he goes  
12 here. That's it.

13 COMMISSIONER SEAY: Madame Chairman, I would  
14 wonder why this occurred at this point.

15 CHAIRPERSON MYERS: Why, yes.

16 COMMISSIONER SEAY: Why would it have not  
17 happened before that? I think that's relevant.

18 MS. STEVENS: That was the time we received  
19 notice. Who we received the notice from, I don't  
20 know why that would be relevant.

21 COMMISSIONER SEAY: Seems unusual --

22 MS. STEVENS: So if Mr. Watson was arrested:  
23 and the charges were later thrown out, I don't know  
24 why that would be relevant. It's not even relevant  
25 to the record.

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 MR. SMITH: You just put it in. You just put  
2 that in the record. You must have thought it was  
3 pretty relevant?

4 MS. STEVENS: No.

5 CHAIRPERSON MYERS: I think we're going to  
6 have to go ahead with it.

7 BY MR. SMITH:

8 Q. Who was Mr. Grapski?

9 A. He was someone who has continued to disagree  
10 with the direction of the City of Alachua and sued us on  
11 -- I don't know -- too many times to count. It's cost  
12 the City over a million dollars.

13 Q. And prior to your receiving that letter, after  
14 Mr. Grapski made these complaints and lawyers made these  
15 complaints, have you ever had any question or inquiry  
16 made of you regarding what you were doing at the City or  
17 why you were in the retirement?

18 A. No.

19 Q. Now, at the time you received that initial  
20 letter you were notified that you had been removed --  
21 the City -- excuse me -- the City received notice that  
22 you had been removed from the retirement?

23 A. It was -- I think Commissioner -- Coerper was  
24 the Mayor at the time, and he informed me, but I really  
25 can't tell you whether it was television or the letter,

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 but I think they came the same day, if I'm not mistaken,  
2 but real close. My first was the television.

3 Q. And at that time, was it your decision to  
4 contest your being removed -- or frankly the City's  
5 decision to contest your being removed?

6 A. Both, absolutely.

7 Q. Again, from 2002 -- from 2004 particularly  
8 until 2007, no one had ever raised this issue with you  
9 or the City to your knowledge?

10 A. Never until Mr. Grapski and Mr. Little.

11 Q. And in the letter of June 28, I believe it is,  
12 2007, it states that you'd been reassigned to the Senior  
13 Management Services Class. Did you ever -- were you  
14 ever offered an election at that time to remain in the  
15 Special Risk Class?

16 A. No.

17 Q. I want to talk to you about your role with the  
18 Alachua Police Department while you have been the  
19 permanent city manager.

20 A. Yes.

21 Q. Explain -- does the City now have assistant  
22 city managers?

23 A. Yes.

24 Q. And how many?

25 A. I hired two.

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 Q. And the assistant city managers, are they  
2 assigned to respective departments within the government  
3 of the City?

4 A. Yes, I have assisting and operating public  
5 works, recreation, and so many other things. Utilities,  
6 but not the police department.

7 Q. And the police department chief answers to  
8 whom?

9 A. To me.

10 Q. And does the Chief, to your knowledge,  
11 actively involve himself in the day-to-day arrests,  
12 pursuit, and apprehension of violators of the law?

13 A. Absolutely. It's not an option.

14 Q. And still does?

15 A. Absolutely.

16 Q. Have you, in fact -- no, before I leave that.

17 Did you at some point in 2007 find that FDLE had you in  
18 active status?

19 A. Yes.

20 Q. Was that changed?

21 A. Retro to the time that we're asking, retro to  
22 my retirement.

23 Q. When that occurred up until that time, had you  
24 had any question -- did you know how you were being  
25 regarded as active or inactive with FDLE?

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 A. I did not know at that time there was  
2 something I needed to do, but they informed me and I did  
3 it.

4 Q. And did you remain certified after that?

5 A. Yes.

6 Q. In an inactive status?

7 A. That's correct.

8 Q. But your certification is still required  
9 pursuant to your contract?

10 A. It's still active -- it's inactive status, but  
11 I still have any certification.

12 Q. Mr. Watson, at any time between 2002, June of  
13 2002 when you became Interim City Manager and to date  
14 but certainly until June of 2007 almost five years to  
15 the day later when you were removed, had you known there  
16 was -- had you known that you were not going to be  
17 allowed to remain in high risk, tell this Commission  
18 what you would have done.

19 A. I would have immediately gone back to the  
20 police department, which -- no doubt. The Commission  
21 knew that. That's on the record at public meetings.

22 And everything was done in a public commission  
23 meeting. Nothing was done in an office. It was all  
24 done with the public there to make comments and  
25 statements about all of these actions that we made.

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 Q. Mr. Watson, going back to 2002 when you became  
2 the City Manager --

3 A. Yes.

4 Q. -- there was a Traci Cain that was working for  
5 the City?

6 A. That's correct.

7 Q. What immediately happened at the time you took  
8 over?

9 A. She took the Family Leave -- Family Medical  
10 Leave Act. She was having a baby and had some  
11 difficulties so she was gone for a while.

12 Q. Was there a finance director?

13 A. They left, too.

14 Q. When the finance director left, were you aware  
15 of how you were actually being reported to retirement?

16 A. I assume that I was being reported as high  
17 risk, and let me be clear --

18 Q. I want to make sure this Commission  
19 understands, was that something you showed paperwork to  
20 show how you were being reported?

21 A. Well, I never dealt with it, no. I never  
22 dealt with it, but a lot of the people left when I first  
23 became City Manager because the City was really in a  
24 chaotic state.

25 Q. Mr. Watson, have you announced your plans with

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 the City?

2 A. Yes. I had talked with the Commission back in  
3 '07 before this came about that I was going to be  
4 retiring in November of '08, but certainly I just  
5 couldn't leave the way things are now, because under  
6 Senior Management, I think I would have to be 62, which  
7 I would lose five percent a year until -- which is 12  
8 years, so I just couldn't; but because of a number of  
9 circumstances, I am retiring even if I lose.

10 Q. Have you already announced your retirement  
11 date to the City?

12 A. Yes.

13 Q. When is that?

14 A. November of next year.

15 Q. 2010?

16 A. That's correct.

17 Q. Since Traci Cane returned to the City after  
18 her medical leave, has she been the person in the City  
19 most responsible for the operation of human resources  
20 and personnel?

21 A. I created a Human Resources Department, and  
22 she's been running that department.

23 Q. As part of her --

24 A. Duties? Human Resource Director. Then I  
25 promoted her to Assistant City Manager.

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 Q. And at any time had you been asked by anyone  
2 from the Department or otherwise to provide -- were you  
3 asked to provide any documentation prior to you being  
4 removed?

5 A. No.

6 Q. Were you asked regarding what you were doing,  
7 the job you were doing, or any of the contracts placed  
8 in evidence here? Had any of that been presented to the  
9 Department by the City to the Division -- excuse me --  
10 prior to your having notice that you had been removed  
11 retroactive to 2002?

12 A. Not until the letter and the news media --  
13 TV-20 -- I think that people who complained went to the  
14 media, if I'm not mistaken.

15 Q. Just one second, please.

16 Mr. Watson, I just want to go back just to get  
17 this on the record for certainly later, you've mentioned  
18 that Mr. Grapski was involved in several cases involving  
19 the City of Alachua all of which I think you said cost  
20 close to a million dollars in fees and costs to the  
21 City?

22 A. Probably a bit more than a million with staff  
23 and everything. I mean --

24 Q. And to date, has Mr. Grapski won anything?

25 MS. STEVENS: I would object again. I'd just

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 I like to have a continuing objection to relevance  
2 regarding anything about Mr. Grapski.

3 BY MR. SMITH:

4 Q. Your answer was?

5 A. He hasn't won any of the lawsuits, but it has  
6 cost us a great deal of money having to defend them.

7 Q. And at the time that Mr. Grapski made his  
8 complaint with the Division and upon which they acted,  
9 to your knowledge, had Mr. Grapski been subject to one  
10 or more criminal charges against him?

11 A. Several, and he also injured a female officer,  
12 and he's done a lot of stuff.

13 MR. SMITH: I have nothing further.

14 CROSS-EXAMINATION

15 BY MS. STEVENS:

16 Q. Just a couple questions for you, Mr. Watson.  
17 Thank you. Your first contract didn't include the terms  
18 "ex officio," did it?

19 A. I don't think it did the first time. I think  
20 it just stated keep my certificate active, something.

21 Q. And that wasn't actually added into your  
22 contract until June 2007; isn't that correct?

23 A. I think the attorneys brought it for  
24 clarification of what it meant, yes, ma'am.

25 Q. And you were initially listed as the City

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 Manager slash Police Commissioner in your initial  
2 contract?

3 A. That's correct.

4 Q. And at that time, the City still reported you  
5 to FDLE as a full-time law enforcement officer; isn't  
6 that correct?

7 A. I don't know whether it was law enforcement  
8 officer or high risk, but whatever the process was, I  
9 was -- I can't tell you how they did it because I didn't  
10 see the paperwork, but I knew they kept me in that  
11 high-risk category, and however they needed to do that  
12 to do it they did it.

13 Q. But you're not aware of how you were being  
14 reported to FDLE at the time?

15 A. Are you talking about --

16 Q. How you were -- I'm sorry. Maybe I wasn't  
17 clear. The City was -- is it correct that the City kept  
18 reporting you to FDLE as a full-time law enforcement  
19 officer after your appointment to City Manager?

20 A. That's correct.

21 Q. And isn't it correct that the city reported  
22 you to FDLE as a full-time law enforcement officer until  
23 2007?

24 A. That's correct.

25 Q. Isn't it true that you made arrests while you

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 were City Manager?

2 A. That is correct.

3 Q. And isn't it true that in 2007 you received a  
4 letter from FDLE that stated that at that time it was  
5 the opinion of FDLE prior to filing an affidavit of  
6 separation that you were in violation of the  
7 dual-office-holding provision of the Florida  
8 Constitution?

9 A. That's correct.

10 Q. And in that letter they also said they were  
11 separating you as a full-time law enforcement officer?

12 A. That's correct, and I did the paperwork for  
13 it, and they did it retro from the time I was Interim  
14 Manager.

15 Q. And didn't they also ask you to cease any of  
16 the duties involved with being a law enforcement  
17 officer?

18 A. That's correct, and I did.

19 Q. That's good. Is your certification currently  
20 in the special status?

21 A. Inactive, yes.

22 Q. And you notified that you could only  
23 associate with a law enforcement agency for the  
24 mandatory retraining purposes?

25 A. Well, in '07? You mean in 2007?

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 Q. Yes.

2 A. Yes.

3 Q. 2007. Yes.

4 A. But as a sworn officer, now -- to clarify  
5 that, if I may -- you can do anything. You can have a  
6 number of people who work with the agency who are not  
7 sworn. Our dispatchers are not sworn; so when I have  
8 assisted the police department, I did not do it as a  
9 sworn officer, I did it as City Manager supervising the  
10 Chief and supervising the department. As I alluded to  
11 earlier, when you are in a city for so many years and  
12 know everyone, you're just needed.

13 Q. Sure.

14 A. So it's something the Commission wanted and  
15 needed me to do, and actually the department needed me  
16 to do it for us to be successful during those times.

17 Q. Now, in your original contract it said that  
18 you were going to continue participating in criminal  
19 investigations; is that correct?

20 A. That's correct, and I have.

21 Q. Do you still do that?

22 A. Absolutely, to this day. Just not long ago  
23 they called me to look at a video because I probably  
24 would have been the only one who would have known who it  
25 could have been; so I do participate, but not as a sworn

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 officer. Just as an employee for the City who assists  
2 because I supervise that agency, and certainly I want to  
3 make sure we're successful in the handling of our  
4 citizens and our criminal investigations.

5 Q. Isn't it true the City filed the Affidavit of  
6 Separation with FDLE in 2007?

7 A. That's correct.

8 Q. And it separated you from your full-time law  
9 enforcement officer position?

10 A. It separated me from active to inactive status  
11 with my certification, yes, ma'am.

12 Q. And that Affidavit of Separation was  
13 retroactive to June 5, 2005?

14 A. That's correct. 2002.

15 Q. I'm sorry. I misstated. 2002. That's  
16 correct.

17 Now, you now maintain that your Police  
18 Commissioner title was ex officio; is that correct?

19 A. That's correct.

20 Q. And this title simply emphasizes your  
21 continued eligibility to reinstatement to the Alachua  
22 Police Department; is that correct?

23 A. For the reasons I indicated earlier, that, as  
24 well as being involved and things of that nature, but  
25 it's ex officio. That's what it's determined to be, and

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 we did that to make sure we were clarifying so it would  
 2 not appear there was dual office holding because we  
 3 wanted to make sure we did not have that perception  
 4 there because that was not the intent.  
 5 Q. So you now admit you were not a sworn officer  
 6 after taking the position as a City Manager?  
 7 A. Yes.  
 8 Q. And that's retroactive?  
 9 A. Yes, ma'am.  
 10 Q. And is it correct that when you accepted your  
 11 position as City Manager, you resigned from your  
 12 position as a law enforcement officer?  
 13 A. Yes, that's correct.  
 14 Q. And you admit you did not receive any  
 15 compensation for being a Police Commissioner?  
 16 A. I was -- yeah. I was the paid as City  
 17 Manager.  
 18 Q. Is it true the City -- is it true the Police  
 19 Commissioner position is a non-salaried position?  
 20 A. It's ex officio, that is correct. I was paid  
 21 one salary, one line item forever, even before any --  
 22 from 2002 until now, it never changed. One line item,  
 23 one salary as the City Manager, yes, that's correct.  
 24 Q. Now, at the time you were appointed to the  
 25 City Manager position, it's true that keeping Special

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 Risk was very important to you?  
 2 A. Absolutely. That's why I'm here today.  
 3 Q. And you admit it was negotiated in your  
 4 contract?  
 5 A. Yes, I did.  
 6 Q. I think it says -- in your affidavit at the  
 7 time you accepted your position, you spoke with the  
 8 Police Chief regarding being reported properly to the  
 9 Division?  
 10 A. Not necessarily properly, just to continue to  
 11 report me so that I would get high risk, yes, based on  
 12 the -- after the Commission meeting, when the  
 13 legislature made the decision to do everything as I had  
 14 requested, then I made sure -- well, he was there, but I  
 15 followed it up with a conversation, of course, and he  
 16 knew because he was there at the meeting when the  
 17 Commission approved that.  
 18 Q. And at the time, you said that you knew you  
 19 didn't have a personnel or human resources department?  
 20 A. Yes. I just took the job like in a couple  
 21 minutes, so it was pretty --  
 22 Q. But you didn't have a human resources or  
 23 personnel department while you were Interim City  
 24 Manager, did you?  
 25 A. That's correct.

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 Q. Yet even knowing that, you still didn't call  
 2 the Division and ask if you would still be entitled to  
 3 Special Risk benefits before accepting the position?  
 4 A. No, I did not.  
 5 Q. And at the time you were appointed City  
 6 Manager, you didn't notify the Division in any way to  
 7 let us know that you were changing positions, did you?  
 8 A. No, I did not.  
 9 Q. And to your knowledge, did the City at the  
 10 time you moved positions to City Manager, did the City  
 11 contact the Division and let us know of your change, to  
 12 your knowledge?  
 13 A. Not to my knowledge.  
 14 MS. STEVENS: Okay. I don't have any more  
 15 questions.  
 16 MR. SMITH: Just a couple follow up.  
 17 REDIRECT EXAMINATION  
 18 BY MR. SMITH:  
 19 Q. At the time you were named to the City Manager  
 20 position, how was your salary changed and how was it  
 21 reported? What was the change in the salary you  
 22 received on a monthly basis?  
 23 A. Well, I was -- as Deputy Chief I think I was  
 24 making around 54 -- 52, somewhere in that area, and I  
 25 think as City Manager it was around 80.

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 Q. Was that significantly higher than police chief  
 2 in the City was making?  
 3 A. Oh, yeah.  
 4 Q. At the time the reports were filed which  
 5 showed that you were now making significantly more than  
 6 a police chief, did anybody from the Department ever  
 7 call or make any inquiry as to why you were suddenly now  
 8 making \$80,000 prorated monthly for the reports?  
 9 A. Not to my knowledge.  
 10 Q. At the time that you were asked a question  
 11 regarding your effectively resigning -- I want to go  
 12 back to this. At the time you were removed from high  
 13 risk by the letter to Gib Coerper from the Department,  
 14 at that time had the FDLE even -- had they removed you  
 15 from the sworn status?  
 16 A. That happened later.  
 17 Q. So at the time they removed you, you were  
 18 still listed as a sworn police officer even with the  
 19 records of FDLE?  
 20 A. That's correct.  
 21 Q. At the time that you found out what the  
 22 problem was, were you still after 2002 -- 2007, excuse  
 23 me -- after 2002, were you still continuously required  
 24 to remain certified even though you were no longer  
 25 sworn?

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 A. That's correct, and I am right now.  
2 Q. So as far as you knew until 2007 you were  
3 being listed both as a police officer and reported as  
4 high risk and no one -- either the city nor the  
5 Department -- ever raised that?

6 A. Not until this incident in --

7 Q. Even after 2004 when the Department  
8 representative was there when you talked about being on  
9 the plan?

10 A. No. They didn't have an issue at that time.

11 MR. SMITH: Nothing further.

12 MS. STEVENS: Just a couple -- just two  
13 follow-up questions. Just two.

14 RECROSS EXAMINATION

15 BY MS. STEVENS:

16 Q. One: Who filed your retirement reports in  
17 2002?

18 A. Maybe Nat Haddock. When I became the City  
19 Manager, the City was sort of in disarray and a lot of  
20 people just quit at that time. You know, there was some  
21 problems there; so I think Nat Haddock was the Assistant  
22 Finance Director and he set in. We had sort of a  
23 skeleton crew there for a while. There were some  
24 perceptions that wasn't good for a little bit, but  
25 everything came around, and the community came together,

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 but it was just a tough time.

2 Q. And --

3 A. I think Nat Haddock, if I'm not mistaken, and  
4 he was either the Assistant Finance Director at the time  
5 or just a clerk working in the finance department, but I  
6 think he was all left, if I remember correctly.

7 Q. And just one more question. The Division of  
8 Retirement was not a party to any of your employment  
9 contracts, were we?

10 A. No.

11 MS. STEVENS: Thank you.

12 MR. SMITH: Nothing further.

13 CHAIRPERSON MYERS: Mr. Doster, do you have  
14 questions?

15 COMMISSIONER DOSTER: Just a couple.

16 EXAMINATION

17 BY COMMISSIONER DOSTER:

18 Q. Mr. Watson, you described what the situation  
19 was the entire time. You had people employed who were  
20 not properly trained, did you not? I'm talking about  
21 who was taking care of the finances and everything.

22 A. We -- yes, sir, we had some problems as a  
23 small municipality does. We experienced some growing  
24 pains; so oftentimes when you have a small city, you  
25 have a couple of people doing a lot of things, and they

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 may not be quite as versed in those areas as they need  
2 to be.

3 Q. Yes, sir. Now, did you pay any on your  
4 retirement at any time, or was the City paying your  
5 retirement from the beginning?

6 A. The City pays the retirement of all the City  
7 employees, none of the employees add anything to that.  
8 You can have your separate retirement if you do, but the  
9 state retirement system and the one we have previously,  
10 the City paid that.

11 Q. Has the State returned, to your knowledge, any  
12 money that you had been paid in on your position?

13 A. I think the State tried to after '07 when this  
14 all happened, but before that, no, sir. And the City  
15 did not accept the voucher. It was a credit that they  
16 sent to the City, and we did not accept that because we  
17 wanted to address all of these issues before this board  
18 before we took any actions.

19 Q. Whatever the reasons were, the communication  
20 between the City of Alachua and the State -- the  
21 Department of Retirement was very disjointed, wasn't it?

22 A. When the City was going through a transition,  
23 things could have been done better.

24 COMMISSIONER DOSTER: Thank you, sir, that's  
25 all.

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 EXAMINATION

2 BY COMMISSIONER SEAY:

3 Q. When you left your position as Deputy Chief in  
4 2002, did you fill that position with someone else, was  
5 that position filled?

6 A. Yes.

7 Q. Deputy Chief?

8 A. Yes.

9 Q. And I had a little confusion -- maybe this --  
10 you didn't address this in your testimony, that you  
11 should have been given an opportunity to select what  
12 plan you go in or is that not part of this? Is that --  
13 I got the 90-day --

14 A. Right. I didn't, and I wasn't aware at the  
15 time. When the Commission voted me in as the Manager, I  
16 elected to stay in the Special Risk, but I didn't know I  
17 had to do anything other than continue.

18 Q. Could you have stayed at Special Risk at that  
19 point even though you were City Manager? Could you have  
20 elected to remain in Special Risk --

21 A. It was my understanding I could, and the  
22 Commission approved it, and I think it was their  
23 understanding as well. But it's still my understanding  
24 that I can.

25 COMMISSIONER SEAY: That's all.

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 EXAMINATION  
 2 BY CHAIRPERSON MYERS:  
 3 Q. Did you not feel that you had some  
 4 responsibility to report to the state retirement your  
 5 change of position?  
 6 A. Madame Chair, I think I could have done things  
 7 better. I could have done things better having known or  
 8 should have known.  
 9 Q. I mean, really, did you get these handbooks?  
 10 I thought they were sent out to everybody who  
 11 participated?  
 12 A. I have that book, but I -- to be honest with  
 13 you, when I start reading that book was '07 when all of  
 14 this happened. I'm quite familiar with the book now,  
 15 but --  
 16 Q. Now that your status is ex officio, you really  
 17 have no rights other than as a -- to make arrests other  
 18 than as a public person. I mean, as a citizen's arrest  
 19 or something like that. You have no rights as in the  
 20 police capacity?  
 21 A. That's correct.  
 22 Q. Okay. What was your main decision to decide  
 23 to retire in 2010?  
 24 A. Actually, I decided to retire in 2008. That  
 25 was a pact I had with my family. I do take care of my

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

98

1 disabled mother, and I am looking at other  
 2 opportunities, but I was looking at having that little  
 3 extra time. I'm one of those 24-hour type employees. I  
 4 like to get things done.  
 5 I had planned to move her in in '08. That's  
 6 just something me and my family had decided to do.  
 7 She's of ill health, on a breather; so 2008 was  
 8 something we planned probably in '04, '06 for me to do.  
 9 And when this came about, we certainly -- I  
 10 had to regroup because I couldn't leave, and at least  
 11 until we get some closure here. But now I have other  
 12 family members kicking in, so we're okay there, and I'm  
 13 looking at other opportunities. I just -- I've been  
 14 with the City a long time.  
 15 Q. Could you go back to the police department; is  
 16 that one of your options?  
 17 A. And that may be something I will be doing even  
 18 before I leave in November of next year. I have another  
 19 year and a half, and I'm considering certainly if this  
 20 is not successful, I will go back as soon as I know --  
 21 if I win, I'm retiring. If I don't, I'm going back to  
 22 APD at least for the remainder of my tenure, but I am  
 23 leaving in November of '10 under all circumstances.  
 24 There's some things I have to do.  
 25 Q. Are you married?

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 A. I'm divorced. I have five sons. One of my  
 2 son's -- my oldest's boy's 32. He's the manager of  
 3 Gainesville Nissan. I have one in the university. Two  
 4 boys in high school -- bigger than I am, much bigger,  
 5 and I have one son who's working at another dealership,  
 6 so I have five boys. I wasn't lucky enough to get any  
 7 girls, so I have to have grand daughters later, and my  
 8 oldest boy has clothes to fist, so that's an awful lot  
 9 of clothes going around.  
 10 CHAIRPERSON MYERS: That's all the questions I  
 11 have.  
 12 Now, do we have other witnesses?  
 13 MR. SMITH: Yes. I'll go get my next witness.  
 14 The Petitioner calls Traci Cain.  
 15 \* \* \* \* \*  
 16 Whereupon,  
 17 TRACI CAIN  
 18 was called as a witness, having been first duly sworn to  
 19 speak the truth, the whole truth and nothing but the  
 20 truth, was examined and testified as follows:  
 21 DIRECT EXAMINATION  
 22 BY MR. SMITH:  
 23 Q. And, Ms. Cain, you were previously sworn.  
 24 A. Yes, sir.  
 25 Q. State your full name and spell your last name,

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 please, for the Commissioners.  
 2 A. Traci Cain, C-a-i-n.  
 3 Q. And where are you employed?  
 4 A. City of Alachua.  
 5 Q. Ms. Cain, where do you reside?  
 6 A. In Alachua.  
 7 Q. How long have you resided in Alachua?  
 8 A. My entire life.  
 9 Q. And I'm not about to ask you how long that is,  
 10 but I will ask you how long you've worked for the City  
 11 of Alachua?  
 12 A. A little over 17 years.  
 13 Q. And what positions have you held in the City  
 14 of Alachua? For instance, when you got hired, what did  
 15 you do?  
 16 A. I was a fiscal assistant. Helped out with  
 17 utility billing. Doing some of the financial work.  
 18 Doing some of the -- there was only about four or five  
 19 clerical in the office, and so we handled a lot of the  
 20 paperwork and routine clerical stuff.  
 21 Q. I want this Commission to understand, when you  
 22 say there were four or five people, clerical people,  
 23 that was for the entire City?  
 24 A. Yes, sir.  
 25 Q. And in addition to payroll and that sort of

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 thing, what other functions did you-all have to carry  
2 out as clerical staff in those days?

3 A. We did all of the -- the City has a full  
4 service utilities. We service the electric, water,  
5 waste water, garbage collection, and mosquito control  
6 for the City. And, of course, we had to send out all  
7 the utility bills, all the financial documents, public  
8 service related information, you know, all of the  
9 administrative duties that the City would carry out.

10 Q. Do you know, when you were hired, who was  
11 responsible for reporting the retirement for those who  
12 were in the state plan?

13 A. The finance department would have been  
14 responsible for that.

15 Q. Do you know who the in finance department had  
16 that responsibility?

17 A. At the time I was first employed? Probably at  
18 that time, Ellen Everette.

19 Q. What were Ellen's other responsibilities?

20 A. Utility billing, taking calls, taking utility  
21 payments. I mean, there were four people that reported  
22 -- a secretary to the City Manager, someone that was the  
23 secretary to the public services department, and me, and  
24 another clerical staff that basically handled all of the  
25 customer service stuff, all -- she did the payroll, the

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 A. He was Deputy Chief.

2 Q. And had you known him to be in the department  
3 for a great number of years?

4 A. He had been employed since before I was.

5 Q. Okay. Now, in 2002, did you become aware that  
6 Mr. Watson was named as the Interim City Manager?

7 A. Yes, sir.

8 Q. What was your position at the time Mr. Watson  
9 was the Interim City Manager?

10 A. Assistant City Manager.

11 Q. And were you the only Assistant City Manager?

12 A. Yes, sir.

13 Q. Okay. And as such, do you know in 2002 how  
14 people were being reported of those who were then in the  
15 state retirement system who was doing that?

16 A. That was being reported by the finance  
17 department still at that time.

18 Q. And do you know who in Department did it?

19 A. I believe in 2002 that would have probably  
20 been Nat Haddock.

21 Q. Do you have -- do you have any idea that  
22 Mr. Haddock had any training or whatever? Pension or  
23 pension reporting?

24 A. No, sir, not to my knowledge.

25 Q. Can you tell the Commission what -- how the

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 accounting, all of that type of stuff.

2 Q. Now, in 2000 were you employed with the City?

3 A. Yes, sir.

4 Q. What was your position by the year 2000?

5 A. 2000 -- Assistant City Manager.

6 Q. And I won't go through names but between 2000  
7 and 2002, did you serve as -- were you aware that there  
8 was a number of people who held the title of city  
9 manager in the City of Alachua?

10 A. Yes, sir.

11 Q. In fact, was it true from the last person in  
12 2000 until Clovis Watson, he made the fifth person to  
13 hold that title in that period of time?

14 A. That's correct.

15 Q. And one of the people that was hired from out  
16 of town virtually was there for just a matter of months?

17 A. That's correct.

18 Q. Did you actually hold the position for a short  
19 period of time?

20 A. I did. I was Interim City Manager for nine  
21 months.

22 Q. During the period of time that you were the  
23 Interim City Manager, did you know Clovis Watson?

24 A. Yes, sir.

25 Q. What was his position at that time?

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 reports were actually sent from the City, how the  
2 monthly reports were sent as to those employees in 2002  
3 who actually were in the state plan?

4 A. I believe at that time they already were  
5 electronically sent, so at the end of the payroll at the  
6 end of the month, the City's financial system would  
7 print out a printout with everyone's salaries and the  
8 amount of the retirement contribution.

9 And then they would go into the Internet to  
10 the FRS web site, and each person would -- was already  
11 listed, and then you would click on that individual  
12 person and key in their salary, and then the computer  
13 would automatically know what the contribution rate was.

14 We would compare it to our report to make sure  
15 that the amounts were the same, and then submit it  
16 electronically.

17 Q. And to your knowledge -- at my request -- have  
18 you gone back and reviewed the history of the reports?  
19 What was the reporting code for people who were in the  
20 Special Risk plan in 2002?

21 A. I believe that is HB.

22 Q. And were you aware that Mr. Watson continued  
23 in HB after 2002?

24 A. Yes, sir.

25 Q. Now, you actually -- when Mr. Watson came into

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 office, did you take on another status? At first, did  
2 you leave the City for a period of time?

3 A. I did. I was out on medical leave. I was  
4 pregnant and out on FMLA for several months.

5 Q. Do you know -- when you were out as the  
6 Assistant City Manager, and Mr. Watson took office, do  
7 you know -- it was still in the finance department at  
8 that time, correct?

9 A. It was. The finance director also left around  
10 that same period.

11 Q. Now, do you know who or if anybody in the  
12 Department ever changed the method of filing  
13 Mr. Watson's reports?

14 A. I know that no one changed the method, no.

15 Q. Now, when did you return to the City?

16 A. I actually went back to work in June of 2003.

17 Q. Did you remain there until 2007? Were you  
18 there continuously --

19 A. Oh, yes.

20 Q. -- from 2003 to 2007?

21 A. Yes.

22 Q. In that interim, was there a time in which the  
23 City of Alachua changed -- made a major change as it  
24 related to their relationship with the Florida  
25 Retirement System?

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 A. Yes, sir. One of my main goals and one of --  
2 what the City Manager asked when I came back was that --  
3 we had been a member of the Florida League of Cities  
4 since 1996, and any new employees hired since 1996 were  
5 with the Florida League of Cities' retirement plan, and  
6 any employees hired prior to that were with the Florida  
7 Retirement System, and we had decided to try to  
8 reinstate our membership into the FRS for all of our  
9 employees.

10 Q. Did that happen?

11 A. That did happen.

12 Q. Did you communicate on behalf of the City with  
13 the Department?

14 A. Yes, sir.

15 Q. With the Division, excuse me.

16 In particular, do you know -- was a  
17 representative or representatives of the Division, did  
18 they actually come and visit with the City?

19 A. Yes, sir. We had our -- I remember Mr. Andy  
20 Snuggs came and did a presentation to our employees  
21 before we actually rejoined the Florida Retirement  
22 System to give our new employees and the older  
23 employees -- tell them about both plans, the pension  
24 plan and the investment plan, and tell them what their  
25 options were before they joined.

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 Q. Do you know -- and do you have records at my  
2 request that you reviewed that you communicated in  
3 writing with Mr. Snuggs and the Division during 2004 on  
4 more than one occasion?

5 A. Yes.

6 Q. And in each occasion, who was listed as the  
7 City Manager?

8 A. Mr. Watson.

9 Q. And at the meeting, were you present when  
10 Mr. Watson talked about with Mr. -- the presence of  
11 other employees about being on Special Risk?

12 A. Yes. I actually introduced him to Mr. Snuggs.

13 Q. And after 2004, did anyone raise a question --  
14 or did you have any issue from the Department regarding  
15 the fact that he was the City Manager/Police  
16 Commissioner and still on the State's high risk  
17 retirement?

18 A. I had no communication.

19 Q. Have you at my request gone back and reviewed  
20 the personnel file of -- and actually prepared and  
21 submitted the personnel file of Mr. Watson?

22 A. Yes.

23 Q. Is that the entire file of Mr. Watson?

24 A. Yes.

25 Q. In your review of that or any other documents

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 related to retirement, has Mr. Watson -- to your  
2 knowledge, had he ever been notified prior to June 28,  
3 2007 that he needed do anything regarding his  
4 retirement?

5 A. Not to my knowledge.

6 Q. I want to go back -- I know you left at the  
7 time Mr. Watson came in for a period of time on  
8 pregnancy leave, but I want to back up for a moment.

9 Were you aware of -- were you present at the  
10 City Commission meeting when Mr. Watson was appointed as  
11 -- and accepted the position as Interim City Manager?

12 A. I was not at the meeting when he was Interim  
13 City Manager.

14 Q. How about permanent?

15 A. Yes, sir.

16 Q. And were you aware that Mr. Watson expressed  
17 to the Commission and the Commission agreed that he had  
18 certain things that he would require before he would  
19 take on or retain that position?

20 A. Yes, sir.

21 Q. And tell the Commission what Mr. Watson's  
22 biggest concern was.

23 A. That he remain in high risk and stay  
24 certified; that that was very important for him for the  
25 years that he had already put into the police

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 department. I mean, he and I actually had conversations  
2 about that prior to him accepting the position.

3 Q. When he was named the City Manager/Police  
4 Commissioner, had anyone in the City ever held that  
5 title before?

6 A. No, sir.

7 Q. Do you know -- and did the Commission express  
8 why they were having the additional title "Police  
9 Commissioner" attached to Mr. Watson's name?

10 A. To show that they wanted him to remain  
11 certified and be very much involved in the police  
12 department and the every-day operation of the police  
13 department because he had for so many years.

14 Q. Ms. Cain, since 2002, from your attorney --  
15 excuse me, in 2003, have you had an opportunity to  
16 observe Mr. Watson's involvement in the day-to-day  
17 operations of the Alachua Police Department?

18 A. Definitely.

19 Q. Are there city managers now in the City  
20 besides yourself -- assistant city managers besides  
21 yourself?

22 A. There is one additional assistant city  
23 manager.

24 Q. And do you have specific -- each of you have  
25 specific assignments as you supervise certain

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 departments?

2 A. Yes.

3 Q. Do either of the you supervise the police  
4 department?

5 A. No, sir.

6 Q. Why is that?

7 A. He was to remain directly under the City  
8 Manager.

9 Q. He meaning the Police Chief?

10 A. The Police Chief.

11 Q. Are you aware that Mr. Watson has been  
12 actively involved in decisions regarding both the police  
13 department and police operations since you've returned?

14 A. Yes, sir.

15 Q. Ms. Cain, as you have gone back and reviewed  
16 the files of the City at my request as well as the  
17 personnel file, has the City or anyone -- had anyone  
18 required of Mr. Watson to do anything about his  
19 retirement that is reflected in any of the records of  
20 the City or the records of Mr. Watson prior to his being  
21 notified in June 2007 that he was removed from the  
22 Special Risk plan?

23 A. No, sir.

24 Q. Have you had an opportunity -- are you aware  
25 that there have been a series of contracts with the City

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 starting as early as June of 2002 and continuing  
2 actually to date involving Mr. Watson's employment?

3 A. Yes, sir.

4 Q. Isn't it true that in each of those occasions  
5 Mr. Watson has been required to retain his certification  
6 and remain directly involved in the police department in  
7 order that he would be eligible for reinstatement at his  
8 direction or the City's direction?

9 A. Yes, sir.

10 CHAIRPERSON MYERS: Mr. Smith, we have heard  
11 all of this before.

12 MR. SMITH: Okay. Well, I just don't want it  
13 to come back later that I've only had it through --

14 CHAIRPERSON MYERS: This is repetitive.

15 MR. SMITH: As long as that's your position,  
16 I'm fine with it, but I don't want anybody later  
17 saying I only put on the witness himself. I'm  
18 always careful about somebody saying he's  
19 self-serving, so I want to make sure.

20 CHAIRPERSON MYERS: It's gone on long enough.

21 MR. SMITH: Good. Me too.

22 BY MR. SMITH:

23 Q. Have you, at my request, gone back and  
24 computed the impact of the City of what they would have  
25 to pay Mr. Watson if he is disallowed this retirement?

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 MS. STEVENS: Objection. I don't see how what  
2 the City has to pay is relevant to the entitlement  
3 to Special Risk benefits.

4 MR. SMITH: I think when we go to the issue of  
5 the equities, and this commission is  
6 specifically -- Hickey being the case I most  
7 recently cited to you, but there are several cases  
8 where this City -- this Commission has said, Your  
9 role is also to try to do the fair thing in light  
10 of all the circumstances.

11 I believe it's important that people  
12 understand that this City unknowingly has exposed a  
13 small town for a huge liability to make up for the  
14 shortfall of his retirement.

15 CHAIRPERSON MYERS: Well, I think that's  
16 between the Petitioner and the City of what  
17 agreement they have; that, unfortunately, if  
18 somebody made a mistake, that's their fault, and we  
19 cannot rectify that, and so it is not a part of our  
20 decision.

21 BY MR. SMITH:

22 Q. Let me try a question a different way. In the  
23 event that Mr. Watson is continued in the Special Risk  
24 Retirement, does the City incur any additional liability  
25 if he is allowed to continue in it?

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 A. In the --  
 2 Q. Special Risk.  
 3 A. No. We've been contributing at Special Risk.  
 4 Q. And has the City accepted any money or  
 5 vouchers in terms of refunds from the Department as it  
 6 relates to Mr. Watson's -- those contributions made on  
 7 behalf of Mr. Watson --  
 8 A. We receive a credit invoice monthly; however,  
 9 we have not taken that credit invoice on any of our  
 10 monthly contributions.  
 11 Q. Because somebody else asked the question  
 12 earlier, at the time -- from 2002 to 2003, 2004, those  
 13 years -- were you aware of whether or not anybody in the  
 14 City had any specific assignment and training in  
 15 retirement other than part of many other duties they  
 16 perform?  
 17 A. Specific training, no, sir, no.  
 18 Q. As a matter of fact, until you were rehired in  
 19 2003, there wasn't a personnel department or a human  
 20 resources department?  
 21 A. No.  
 22 MR. SMITH: Nothing further.  
 23 \* \* \* \* \*  
 24 CROSS-EXAMINATION  
 25 BY MS. STEVENS:

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 Q. Just a couple questions, Ms. Cain. How are  
 2 you doing?  
 3 A. Good. Good.  
 4 Q. That's good. At the time Clovis was appointed  
 5 to City Manager, you said you were the Assistant City  
 6 Manager, correct?  
 7 A. Correct.  
 8 Q. And to your knowledge, did anyone from the  
 9 Division -- excuse me. You're now in charge of  
 10 retirement reports; is that correct?  
 11 A. Correct.  
 12 Q. Do you have any special training?  
 13 A. I have not received any special training. I  
 14 don't actually submit the reports. My assistant does.  
 15 Q. But you're in charge of the retirement  
 16 reports?  
 17 A. Yes.  
 18 Q. Do you know if your assistant has any special  
 19 training?  
 20 A. No.  
 21 Q. Do you know what is supposed to happen when a  
 22 Special Risk employee changes positions?  
 23 A. Yes.  
 24 Q. And what is that?  
 25 A. If they are not in -- now, I know this now --

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 that if they're not in a position that is listed, one of  
 2 those positions that are qualified that are already  
 3 listed, that an application would need to be filled out.  
 4 Q. Do you know whether a city manager is one of  
 5 the listed positions?  
 6 A. I do not think it is.  
 7 Q. And what you just said was supposed to happen,  
 8 did that happen with Mr. Watson?  
 9 A. It did not happen, but we were currently -- at  
 10 that time, we were not with the Florida Retirement  
 11 System for any new employees; we were with the Florida  
 12 League of Cities. And all of our new hires for the  
 13 previous, probably, eight years prior to that, we had  
 14 gone to the Florida League of Cities in 1996, so anyone  
 15 that we were hiring prior to that, we were reporting all  
 16 of our new hires to the Florida League of Cities.  
 17 Q. But you still had FRS employees?  
 18 A. Correct.  
 19 Q. And you were still reporting them monthly to  
 20 the Division?  
 21 A. Correct.  
 22 Q. And you still had the FRS Employer Handbook?  
 23 A. Correct.  
 24 Q. And in the FRS Employer Handbook, it states  
 25 which positions are the preapproved class codes that you

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 can report under HB?  
 2 A. Correct.  
 3 Q. And you did not do that -- or not you -- the  
 4 City did not do that at that time even though they had  
 5 that information?  
 6 A. It was not done.  
 7 Q. The Petitioner has the authority to terminate  
 8 you, doesn't he?  
 9 A. Certainly. I'm an at-will employee.  
 10 Q. And he's actually terminated you before,  
 11 hasn't he?  
 12 A. Yes, he has.  
 13 Q. Now, you said you were a City Manager. When  
 14 you were a City Manager, were you reported under the  
 15 Senior Management Service Class?  
 16 A. Yes, I had been, because I was an Assistant  
 17 City Manager before that.  
 18 Q. Was that negotiated into your contract?  
 19 A. The Senior Management?  
 20 Q. That's correct.  
 21 A. No. That was -- just continued because I had  
 22 been an Assistant City Manager prior to that and was  
 23 only an interim. They were actually looking for a city  
 24 manager. They were doing a national search.  
 25 Q. Now, I think you talked briefly about there

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 being two assistant city managers, and Mr. Watson being  
 2 directly over the police department, and the city  
 3 managers were directly over everybody else; is that what  
 4 you said? Am I characterizing that correctly? Please  
 5 tell me if I'm not.

6 A. That was reassignment in November, yes, ma'am.

7 Q. November of 2008?

8 A. Yes. Yes.

9 Q. So before that that wasn't the case?

10 A. There was only one assistant city manager  
 11 before that.

12 Q. Are you familiar with organizational charts?

13 A. Yes.

14 Q. Was the organizational chart changed in  
 15 November of 2008?

16 A. Yes.

17 Q. Prior to the change in November of 2008, did  
 18 it list Mr. Watson as head of every department within  
 19 the City?

20 A. Prior to 2008?

21 Q. I'm sorry. Prior to November of 2008.

22 A. Yes. I would think that it listed him over  
 23 everybody.

24 Q. And then in November of 2008, shortly before  
 25 this hearing, the organizational chart was changed,

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 wasn't it?

2 A. It was changed, yes.

3 Q. And then now it has Mr. Watson directly over  
 4 the police department and two assistant city managers?

5 A. Yes, ma'am.

6 MS. STEVENS: I have no other questions.

7 MR. SMITH: I have a couple follow-up.

8 CHAIRPERSON MYERS: Before you do, we have to  
 9 ask the Board before you do follow-up.

10 MR. SMITH: Sure. We didn't do it that way  
 11 last time.

12 CHAIRPERSON MYERS: Because you jumped in, wd  
 13 let you go.

14 COMMISSIONER SEAY: We change as we go.

15 MR. SMITH: Fine with me.

16 CHAIRPERSON MYERS: I was going to jump in,  
 17 but then I let you go ahead.

18 MR. SMITH: Fine with me.

19 CHAIRPERSON MYERS: Mr. Doster, do you have  
 20 any questions?

21 COMMISSIONER DOSTER: No.

22 COMMISSIONER SEAY: I don't have any  
 23 questions.

24 CHAIRPERSON MYERS: I actually don't have any  
 25 questions. We've gone over all this so many times

1 it's embedded.

2 MS. COCHEU: But it's easier when you have  
 3 questions when you want to --

4 MR. SMITH: I agree. I agree. I just have a  
 5 few follow-up.

6 REDIRECT EXAMINATION

7 BY MR. SMITH:

8 Q. You were asked about you were aware now how it  
 9 works. Before all of this came up, were you aware of  
 10 any of the responsibilities that were required of  
 11 somebody who went into Special Risk?

12 A. I was not.

13 Q. Do you know of anybody in the City that knew  
 14 about any of that?

15 A. No.

16 Q. Now, I want to make sure this is clear. When  
 17 you say that Mr. Watson never received an election, have  
 18 you ever had anybody in the City get a choice to elect  
 19 to go into -- or remain in the plan?

20 A. To remain in the plan --

21 Q. Or to stay in the Special Risk plan? Have you  
 22 ever gotten any information from the Division regarding  
 23 somebody's coming into Special Risk -- into the City and  
 24 changing their status?

25 A. Recently when we hired a new chief.

FOR THE RECORD REPORTING TALLAHASSEE FLORIDA 850.222.5491

1 Q. What happened?

2 A. I received -- we reported him as Special Risk,  
 3 and because he had come from the sheriff's department of  
 4 the county, I was sent stuff from the retirement that we  
 5 had to apply for the position because the Chief of  
 6 Police position was not a preapproved position.

7 Q. And that was sent to the City and to the  
 8 employee by the Division?

9 A. Yes.

10 Q. You were asked about Mr. Watson having the  
 11 ability to fire you. Describe for this Commission your  
 12 relationship with Mr. Watson.

13 A. We've always had a very good relationship.  
 14 During the time when city manager -- was first appointed  
 15 as the city manager, the City was going through a very  
 16 difficult time. We had had five different city managers  
 17 within two years. There was a lot of -- the City was  
 18 growing. We had a lot of dissension in the City. I was  
 19 out on leave.

20 We had several employees -- about eight at the  
 21 time out of less than a hundred employees, probably less  
 22 than 90 employees actually -- that had left the City.

23 We had a consultant in that was our finance  
 24 director, and I believe that she had misled him in many  
 25 ways, and I was terminated while I was out on leave as a

1 key employee under the FMLA.

2 In the end of December, hired back. Clovis  
3 called me on his own and said that he had made a  
4 mistake, and that he wanted me back. I had been with  
5 the City at that time for probably 12 or 13 years, and  
6 we had always been very close, and that he wanted me to  
7 come back to the City and be the Human Resources  
8 Director and start the Department up, and that, you  
9 know, wanted everything to start over, and we've had a  
10 great relationship ever since then. There's been no  
11 problems.

12 Q. You were asked about the City organization  
13 chart, the City organizational chart that was done in  
14 November of 2008. To your knowledge, was anything in  
15 that organizational chart structured differently as it  
16 related to now you have the two city managers? Did that  
17 have anything to do with this case to your knowledge.

18 A. No, I was actually -- I actually received a  
19 promotion at that time. I was the Human Resources  
20 Director, and I was promoted to Assistant City Manager  
21 and taking on the planning and community development,  
22 which consisted of our planning, our building, our codes  
23 enforcement, our recreational department, IT department,  
24 and administrative services department; so it was  
25 something to -- you know, just reorganize the City and

1 Q. But we -- the Division had received  
2 information regarding his position; is that correct?

3 A. No. Received -- his salary had been keyed in.  
4 He had been keyed in as a new employee.

5 Q. A new employee?

6 A. Right.

7 Q. And he was not currently an employee with your  
8 agency?

9 A. That's correct.

10 Q. Is that correct?

11 A. Yes, ma'am.

12 MS. STEVENS: Thank you. I have no further  
13 questions.

14 CHAIRPERSON MYERS: You can stay in the room  
15 if you want.

16 (The witness was excused.)

2 actually given a promotion and that is why that  
3 happened.

4 MR. SMITH: Nothing further.

5 RECROSS EXAMINATION

6 BY MS. STEVENS:

7 Q. Just one follow-up question or one follow-up  
8 issue, I guess. You just spoke about the election that  
9 Mr. DeCoursey --

10 I believe he's your current Chief of Police?

11 A. Yes.

12 Q. -- the election he received, what type of an  
13 election was that?

14 A. For Special Risk.

15 Q. And was the Division notified of this  
16 individual being the Chief of Police with your agency?

17 A. Not originally. I believe that he was just  
18 reported. His salary was reported, and because his  
19 Social Security number was in the system in the county,  
20 it was probably around the exact same time he left the  
21 county and came straight to the City; so we were sent  
22 information that he had to apply for the Special Risk,  
23 and we filled out all the necessary paperwork that  
24 needed to go with that and sent it in, and he was  
25 approved.
