F.S. 903.286 requires the Clerk of the Court to withhold from the return of a cash bond posted on behalf of a criminal defendant by a person other than a bail bond agent, sufficient funds to pay any unpaid court fees, court costs, and criminal penalties and will be held by the Clerk of Court until this case is resolved. **All of these funds are subject to forfeiture and withholding by the clerk of the court for the payment of court fees, court costs, and criminal penalties on behalf of the criminal defendant.**

This means that if the defendant for whom you are posting bond owes costs and penalties on this and/or any of defendant's other cases, those amounts owed will be taken out of the bond money regardless of who posted the funds. You may receive only a portion or none of the posted bond money back even though the defendant makes all timely required court appearances.
