On 9/22/2024 at approximately 2206 hours I responded to [REDACTED] in response to a Prowler call. When I arrived on scene another D/S was speaking with a white male who turned out to be the Defendant (Gustavo Zamora Vazquez) in the area of the victim's [REDACTED] Apartment.

The Defendant was seen standing behind the victims building in the area of her window then walked away east toward a side walk, before walking onto the porch of his apartment. The Defendant was sweating profusely when speaking with law enforcement yet it was approximately 75 Degrees outside and he was wearing a short sleeve shirt and running shorts. The area outside the window was sandy and 2 shoe prints were easily visible, the prints appeared to be of crock style shoes of which the Defendant was wearing. The victim had advised that when she was naked in her room she looked over to her window and saw an arm holding a phone and was able to tell that the person had on a short sleeve shirt. When presenting the facts to the Defendant that his shoe prints were seen outside her window and that he was also wearing a short sleeve shirt, the Defendant spontaneously uttered that he was going to be honest and said that it was him and that he did try to film her. At the time of presenting the facts the Defendant was not detained in handcuffs.

The Defendant was then detained in handcuffs and Post Miranda said that he was walking by her window looked inside and the Defendant said that he saw that she was "in an intimate moment" and that he thought it was "interesting". The Defendant said that he filmed her for his own personal use, but that the video only captured her face.

The Defendant is over the age of 19 making this a Felony.

The Defendant was arrested for Felony Video Voyeurism.
