Nevertheless the Department of Children and Family Services along with the Alachua Police department did not collect ~~XXXXXX~~ home-owner security camera recordings; such as, admissible evidence of whom is illegally either legally living at her address during the years 2023 and 2024. I believe only reason the above departments failure to properly act within the law is because I am Black and have a considerable criminal history. I only reported ~~XXXXXX~~ abuse and fraud scheme. I am not guilty of stalking her.
