Honorable Judge Brewer,

I have known my husband Andre since I was seven in a half year old, and he was seven. We have been together for over 35 years and married for over 27 years. He has been the strength and protector of our family. He has always been committed to our family even through his darkness of his childhood. My husband, Andre, put his all into making sure our family stayed safe and secured in our home. He is not that person that the state tried to portray him to be, in fact he always wanted safety for his family. So, I am asking for me and our children and our grandchildren, if you will please allow him to remain free so that he can continue to face our adversities together as we continue to depend on the Lord.

Grateful and Blessed,

Sherry Abrams
