SEND TO FILE PER JUDGE KREIDER

The Judge received your email late yesterday afternoon, this will be set for a Nelson Hearing on Monday, March 3, 2025, at 8:30 a.m. which a Notion will be sent to your email as listed above.

PLEASE SEND ANY PROPOSED ORDERS IN WORD FORMAT ONLY

Scheduling/Hearing Requests

The Judges's scheduling calendar are not available online. Hearing dates and times are provided by the JA, by email request to spiveyd@circuit8.org, and should include the case number, style of the case, the motion or motions being set, the attorneys and the total amount of time being requested.

E-mail communications to coordinate hearings should be between the attorney's offices and SHOULD NOT include the judicial assistant (this includes determing the total amount of time needed for the hearing).

Once a date has been agreed upon between the attorneys, an email should be sent to the judicial assistant confirming the date is still available on the Court's calendar. Our office does not hold suggested dates for hearings and a hearing is not scheduled on the Court's calendar unless you receive confirmation from our office/judicial assistant. A courtesy copy of the notice of hearing should be emailed to the judicial assistant.

PLEASE NOTE: Any emails received after normal working hours/days will be reviewed on the next business day.

Thank you, Debbie

Debbie Spivey
